

Mental Health Support

IIT (BHU) Varanasi regularly updates a list of empaneled hospitals, some of which provide comprehensive mental health care services, including information and education initiatives. Additionally, these hospitals offer outpatient and inpatient medical facilities to employees and pensioners of the institute on a cashless basis, following the existing Central Government Health Scheme (CGHS) norms.

Institute also has agreements with different hospitals to provide around the clock health facilities.

SCS Councils: The Student Counselling Services consists of five councils, each with their

specialization:

- **Wellness Council:** It aims to ensure the physical, mental, and emotional well-being of students. It works in collaboration with the on-campus counsellor and the institute wellness partner. It has conducted 3000+ individual and 20 + group counselling sessions helping 3000+ students.
- **Academics Council:** It endeavors to help students perform well academically by assisting them with study tips, accessible study materials, and guidance through remedial classes. It also aims to create awareness regarding research programs in India and competitive exams such as CAT, GATE, TOEFL etc.
- **Career Council:** It aims to create awareness about different career paths and facilitate students with career selection, preparation, resources and mock interviews. It leads the flagship initiatives like Encore, Acing Internships and Acing Placements, ensuring equal and accessible guidance to every student.
- **Skill Development Council:** It aims to equip students with the necessary hard and soft skills that are required for different career opportunities. It helps students in their personality development by enabling them to explore their hobbies and interests. It majorly focuses on communication and leadership skills, and hard skills such as coding, designing, writing etc.
- **International Exchange Council:** It aspires to establish international exchange programs in IIT (BHU) and facilitate students who aspire to do foreign internships in research and other domains by providing them with the necessary guidance and Resources.
