

Technical Specification for **Mine Planning Softwares**

SURPAC Software	Module	Quantity
Standard Features	Standard Features	1
Tools	Auto Plot	1
	Data Plug- ins	1
	String File Report	1
Network License Manager	Network License Manager	1
Geology	Geological Drillhole Database	1
	Basic Statistics	1
	Geostatistics	1
	Solids Modelling with Mesh Tools	1
	Block Modelling	1
Engineering	Pit and Dump Design	1
	Underground Ring Design	1
	Stope Design Tools	1
Surveying	Surface & Underground Surveying	1
Validation	Validation	1

Minesched Software	Module	Quantity
Minesched	Minesched	1

Whittle Software	Module	Quantity
Standard Features	Foundation	1
	Multi Analysis	1
	Multi Element	1
	Advance Analysis	1
Life of Mine Scheduling	Push Back 50	1
	NPV Practical Push Backs	1
