

One Week  
Faculty Development Programme  
On  
**Communication for Educators**  
15 – 19 July, 2019

### Overview

Communication has been of critical significance for educators. Despite its complex and perennially evolving dimensions, communication has proved to be vital for academics in fine-tuning the contours of their scholastic practices. Today's educators need to be constantly striving towards the acquisition and upgradation of a variety of communicative prowess encompassing language skills, socio-linguistic aptitude, discourse competence, socio-cultural adeptness, and strategic competence.

The Faculty Development Programme is designed to foster an ever-evolving communicative competence among educators in higher education leading them towards grounded academic practices.

### Key Areas

- ◆ Research Communication including Academic Writing and Technical Communication
- ◆ Communication for Pedagogical Practices and Academic Leadership
- ◆ Communication for Work and Wellbeing
- ◆ Holistic Communication

### Benefits and Takeaways:

The Faculty Development Programme will enable the participants to:

- ◆ Explore the critical forms of communication for Professional Development
- ◆ Navigate the Landscape of Higher Education
- ◆ Innovate and Deliver the Learning Chain
- ◆ Evolve and sustain a Scholarly Agenda
- ◆ Balance Personal and Professional Responsibilities

### Teaching Learning Centre, IIT (BHU)

A new Centre named 'Teaching Learning Centre (TLC)' was initiated by the Institute in July 2013 to strengthen the Teaching environment of the Institute and to organize several programmes to enhance teaching-learning processes. It covers all aspects of teaching, pedagogy, laboratory projects, assessment, course delivery, course design, e-learning, sharing best practices in teaching learning, faculty development programmes, etc.
