

Introduction

India Chapter of National Lubricating Grease Institute (NLGI-IC) came into existence in 1997. NLGI-IC has its headquarters at IndianOil R&D Centre. Prime objective of NLGI-IC is to share information among members on Grease developments & applications related advancements. 35 corporate members from PSU oil companies and major private sectors, input suppliers, manufacturers, etc are members of NLGI-IC. Since its inception, NLGI-IC has organised 24 education courses at various locations of India for the benefit of Grease user / manufacturer / their related industries. These education courses are popular as they provide basic knowledge of lubricating greases & their applications.

Education Course

To educate and train people dealing with grease lubrication viz. manufacturers, users, input / equipment suppliers, etc., NLGI-IC organised 24 education courses covering different aspects of lubrication in number of industries such as Automotive, Steel Plants, Textile, Mining, Pharmaceutical, Wind Mill, Food Processing, etc.

- 1st Grease Education Course on “Basics of Lubricating Greases” was organised in May, 1999 at Mumbai.

- 24th Grease Education Course on “Food Grade Lubricants and Greases” was organised at Mysuru during October 12 - 13, 2023, where around 60 delegates participated.

NLGI-India Chapter and IIT (BHU) Jointly announces

25th Grease Education Course
On
“Bio-Greases and Lubricants”
October 18 - 19, 2024 at
IIT (BHU), Varanasi

Based on the feedback received from the previous education courses and decision taken by NLGI-IC board, the 25th Education Course will be organized on “Bio-Greases and Lubricants”. Well known industry experts available in the country will be sharing their experience and expertise with the participants of this education course. This will be a unique opportunity for participants to interact with the industry experts and discuss their industry related specific grease issues, if any and implement the solutions in plants.

This **Education Course** will cover the following topics:

- (a) Overview of Bio-Greases and Lubricants,
- (b) Fundamentals of Lubricating Greases,
- (c) Testing of Lubricating Greases,
- (d) Base Oils and Additives,
- (e) Applications of Bio Based Greases and Lubricants,
- (g) Application, Selection, Storage & Handling,
- (h) Environmental Issues Related to Lubricants,
- (i) Case Studies and Condition Monitoring.

Participants are welcome to present their field problems in this education course and get suggestions from experts. This activity will also be of benefit to the participants. If any participant would like to present the case study, please send the details in advance so that a suitable slot for presentation may be created.

Besides classroom training, a visit to the laboratory is also planned.
