

SERB Sponsored One Day Workshop On

“Exploring Chromatographic Techniques: From Theory to Application”

Under SERB Scientific Social Responsibility Policy (SSR) for the Faculty Members

Date of the Event: November 08-11-2024

Last date for registration: October 28, 2024

**The
Event Coordinator
Prof. S Hemalatha**

**Principal Investigator, Dept. of Pharmaceutical Engineering & Technology, Indian
Institute of Technology (Banaras Hindu University), Varanasi 221005**

Registration Form (for the Faculty Members only)

Name	
Designation	
Department	
Institute	
Address	
Email	
Mobile number	
Qualification	
Area of the specialization	
Signature of the applicant	
Recommended and forwarded (signature and seal of the institute)	

Last date of the registration: 28 October, 2024

Acknowledgment

Prof. Siva Hemalatha, Principal Investigator, is thankful to SERB, Government of India for providing financial support to this workshop program through a project grant R&D/IIT(BHU)Varanasi(SERB)/Pharma/23-24/06/510 under SERB Scientific Social Responsibility Policy.

Agenda

Date: November 08, 2024	
Time	Topic
10:00-10:45 am	Inaugural Function: Briefing of the workshop
10:45-11:15 am	High tea and group photograph
11:15-12:00 pm	Lecture on overview of chromatographic principles, different kind of chromatographic techniques.
12:00-01:00 pm	Lecture on theoretical aspects of Flash and HPLC chromatographic techniques. -
01:00-02:00 pm	Lunch Break
02:00-03:30 pm	Interactive session on the use of Flash Chromatographic technique.
03:00-04:00 pm	Demonstrative session on HPLC technique
04:00-04:15 pm	Tea break
04:15-05:00 pm	Distribution of certificates
