 - **H.** Compliance Sheet

SECTION 1: INSTRUCTION FOR ONLINE BID SUBMISSION

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (http://eprocure.gov.in/eprocure/app). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

Moreinformationusefulfor submitting onlinebidsontheCPPPortalmaybeobtainedat: http://eprocure.gov.in/eprocure/app.

1. Registration

- 1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: http://eprocure.gov.in/eprocure/app) by clicking on the link "Click here to Enroll". Enrolment on the CPP Portal is free of charge.
- 2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3. Bidders are advised to register their valid email address and mobile numbers as part of the registrationprocess. These would be used for any communication from the CPPP or tal.
- 4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognizedbyCCAIndia(e.g.Sify/TCS/nCode/eMudhraetc.), with their profile.
- 5. OnlyonevalidDSCshouldberegisteredbyabidder.Pleasenotethatthebiddersareresponsible to ensure that they do not lend their DSCs to others which may lead to misuse.
- 6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / eToken.

2. SearchingforTenderDocuments

- 1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
- 2. Once the bidders have selected the tenders they are interested in, they may download therequired documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

3. Preparation of Bids

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.

- 2. Pleasegothroughthetenderadvertisementandthetender document carefullyto understandthe documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in thetender document/scheduleandgenerally,theycan bePDF/XLS/RAR/DWFformats. Biddocuments may be scanned with 100 dpi with black and white option.
- 4. Toavoidthetimeandeffortrequiredinuploadingthesamesetofstandarddocuments whichare requiredtobesubmittedasapartofevery bid,aprovisionofuploadingsuch standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

4. SubmissionofBids

- 1. Bidder should log into the site well in advance for bid submission so that he/she upload the bidin time i.e. on or before the bid submission time. Bidder will be responsible for any delaydue to other issues.
- 2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3. Bidder has to select the payment option as "on-line" to pay the tender fee / EMD as applicable and enter details of the instrument. Whenever, EMD / Tender fees are sought, bidders need to pay the tender fee / EMD separately on-line through RTGS.
- 4. A standard BoQ format has been provided with the tender document to be filled by all the bidders.
 - Bidders are requested to note that they should necessarily submit their financial bids in theformat provided and no other format is acceptable. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells shouldbe changed. Oncethed etails have been completed, the bidder should save it and submitit online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 5. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 6. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done.
- 7. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8. Upon the successful and timely submission of bids, the portal will give a successful bid submission message&abidsummarywillbedisplayed with the bidno.andthedate&time of submission of the bid with all other relevant details.

9. Kindlyadd scannedPDFof allrelevant documentsin asingle PDFfile of compliance sheet.

5. AssistancetoBidders

- 10. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 11. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general maybedirectedtothe24x7CPPPortalHelpdesk.

6. GeneralInstructionstothe Bidders

- 12. The tenders will be received online through portal http://eprocure.gov.in/eprocure/app.In the Technical Bids, the bidders are required to upload all the documents in .pdf format.
- 13. Possession of a Valid Class II/III Digital Signature Certificate (DSC) in the form of smartcard/e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through https://eprocure.gov.in/eprocure/app. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site https://eprocure.gov.in/eprocure/app under the link "Information about DSC".
- 14. Tendererareadvisedtofollowtheinstructionsprovidedinthe Instructionstothe Tenderer for the esubmission of the bids online through the Central Public Procurement Portal for e Procurement at https://eprocure.gov.in/eprocure/app.

SECTION 2: INSTRUCTIONS TO BIDDERS

A. Introduction

1. Scope of Work

IIT-BHU invites online bids from the manufacturers/suppliers on behalf of The Director, IIT-BHU for supply of Equipment as per the technical specifications given in Annexure- III and as per terms and conditions of this tender document. Supplier should assure complete commissioning of the system including installation and application training for efficient utilization of VIRTUAL REALITY HARDWARE AND SOFTWARE SETUP.

2. Cost of Bidding

The Bidder shall bear all costs associated with the preparation and submission of its bid, and "the Purchaser", will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

B. The Bidding Documents

3. Tender Processing Fees

The Tender Processing fees (**Rs. 1180/-**) should be submitted ONLINE as per the details mentioned above. Further, the proof of payment must be uploaded with Technical Bid. The exemption will be applicable as per Govt. of India norms.

4. Content of Bidding Documents

The goods required, bidding procedures and contract terms are prescribed in the bidding documents. In addition to Invitation of Bids, the bidding documents include:

- (a) Instructions for Online Bid Submission
- (b) Instruction to Bidders (ITB);
- (c) General Conditions of Contract (GCC);
- (d) Special Conditions of Contract (SCC)
- (d) Schedule of requirements;
- (e) Tender form (technical bid).
- (f) Tender form (financial bid)

The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidder's risk and may result in rejection of its bid.

5. Amendment of Bidding Documents

At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment.

All prospective bidders who have received the bidding documents will be notified of the amendment in writing, which will be binding on them.

In order to allow prospective bidders reasonable time within which to take the amendment into account in preparing their bids, the Purchaser, at its discretion, may extend the deadline for the submission of bids.

C.Preparation of Bids

6. Language of Bid

ThebidpreparedbytheBidder,aswellasallcorrespondenceanddocumentsrelatingtothebid exchanged by the Bidder and the Purchaser shall be written in English language.

7. Documents Comprising the Bid

Techno commercial un-priced bid and priced Bids: The bids are to be submitted in two parts i.e. Techno commercial un-priced bid and priced Bids.

- (a) Techno commercial un-priced bid along with Bid Securing Declaration Form (as Earnest Money Deposit) as shown in invitation to bids shall be submitted through CPP Portal. If the proof of payment of EMD/ Bid Security Declaration Form as per as per Annexure-VII is not received along with the technical bid, such bid will not be considered. The samples (if required) of all the items shown in the schedule of requirements of each tender should also accompany the techno commercial un-priced bid in a separate sealed envelope.
- (b) Priced bid.

Techno commercial un-priced bid: The Techno commercial un-priced bid prepared by the biddershall be provided in the following Model Response format:

Model Response format

- (a) Standing of each Bidder Manufacturer/Dealer and past experience in supply of the material (certificates to be enclosed), proof of manufacturing Unit/Dealership alongwith all the documents required for proving the credentials regarding the fulfillment of essential pre-bid criteria.
- **(b)** List of other IITs/NITs/Govt. Offices/PSUs/Govt. Funded Universities/Govt. Funded Autonomous Bodies/Govt. Bodiesfor which the bidder has supplied or supplying material or having the similar type of contracts and a certificate regarding the satisfactory performance of the contract (In the Annexure III format).
- (c) Copy of the audited balance sheet of the Bidder for the previous financial year indicating the turnover in supply of the relevant materials/service.
- (d) Details of Permanent Account Number and latest income tax clearance certificate.
- (e) Details of GST No. along with a copy of certificate to be attached.
- **(f)** Submission of samples if required, for all items indicated in the schedule of requirements. The make of items proposed to be supplied should be indicated in the format of the schedule of requirements and submitted along with the techno commercial un-priced bid without indicating the pricing components.
- (g) Willingness to execute all orders which are placed to meet emergency requirement on priority basis. The Bidder shall note that standards for workmanship, material and equipment, and references to brand names designated by the Purchaser in the schedule of requirements are intended to be descriptive only and not restrictive. The Bidder may substitute alternative standards,brandnamesand/orcataloguenumbersinhisbid,providedthatit demonstrate sothe Purchaser's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

Price Bid

The price bid shall comprise the techno commercial bid along with the price component indicating the Unit prices for each and every item indicated in the schedule of requirements (Annexure I).

a) The prices quoted must be net per unit as shown in the Schedule and must include all charges for

delivery at the designated stores i.e. IIT (BHU), Varanasi and should be mentioned clearly.

- **b**) The rate must be stated for each item separately both in words and figures. If there is a discrepancy between the price quoted in word and figures the higher price quoted will betreated as final.
- c) Quoted prices should be firm and inclusive of all taxes/duties, freight and forwarding charges, handling charges, loading and unloading charges, and insurance charges etc. However, the prices must be reflected clearly in BoQ format by mentioning basic rate, GST, Freight charges, Any other Taxes/Duties/Levies and exemptions thereon as applicable to IITs.
- **d**) Further, if required the Institute will make direct payment to Custom Department against receipt of challan from the supplier.
- e) The prices once accepted by the Institute shall remain valid till the successful execution of the order and till supplies is fully effected and accepted or 365 days from the date of acceptance of tender whichever is later. The Institute shall not entertain any increase in the rates during the period. However, in the event there is a reduction or increase in Government levy/duties/taxes during the period of execution of the order, the rates shall be suitably adjusted with effect from the date notifying the said reduction or increase in the Government levy/taxes/duty, if any.

8. Bid Prices

The Bidder shall indicate on the Schedule of requirements (BoQ), the unit prices of the goods it proposes to supply under the Contract and enclose it with the priced bid.

Prices indicated on the Price Schedule shall be entered separately in the following manner:

- (i) The prices quoted must be net per unit as shown in the schedule of requirements and must include all charges for delivery at the designated stores.
- (ii) Any Indian duties, GST and other taxes which will be payable on the goods, if this Contract is awarded:

Prices quoted by the Bidder shall be fixed during the Bidder's performance of the Contract and not subject to variation on any account.

9. Clarification regarding Price Bid and BoQ

- (a) In case of import, the order will be placed to OEM and LC will also be opened in favour of OEM.
- (b) In case of import, the bidder is not required to quote the rate for Custom Duty charges and IGST thereof. The Institute will make direct payment to Custom Department as per actual against receipt of Challan from the bidder. The Institute will issue CDEC certificate as and when required.
- (c) The bidder is required to quote the rate for Freight charges, insurance etc. in INR only.
- (d) The clearance of shipment from Custom, its safely delivery, installation and demonstration at IIT (BHU) site shall be the sole responsibility of bidder/their authorized agent.
- (e) The Institute will provide all the necessary documents as and when required to bidder for clearance of shipment. However, bidder has to intimate the requirement of same in well advance.

10. Bid Currencies

Prices shall be quoted in **Indian Rupees**only.

11. Period of Validity of Bids

Bids shall remain valid for **180** days after the date of bid opening prescribed by the Purchaser. A bid valid for a shorter period shall be rejected by the Purchaser as non-responsive.

Inexceptionalcircumstances,thePurchasermaysolicittheBidder'sconsenttoanextension of the period of validity. The request and the responses thereto shall be made in writing. A Bidder may refuse the request without forfeiting its EMD, if any. A Bidder granting the request will not be required nor

permitted to modify the bid.

Bid evaluation will be based on the bid prices without taking into consideration the above modifications.

D. Submission of Bids

12. The tender has to be submitted ONLINE before the due date. The offersreceived after the due dateand time will not be considered. **No manual bids will be considered**.

13. Deadline for Submission of Bids

Bids must be received by the Purchaser ONLINE not later than the time and date specified in the Invitation for Bids.

The Purchaser may, at his discretion, extend this deadline for submission of bids by amending the bid documents in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

14. Late/Delayed Bids

Theoffersreceived after the duedate and time will not be considered.

15. Modifications and Withdrawal of Bids

The Bidder may modify or withdraw its bid after the ONLINE bid's submission, as per the provision of CPP Portal.

No bid may be modified subsequent to the deadline for submission of bids. No documents will be accepted in support of essential pre-bid criteria after the last date of submission of bids.

No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity specified by the Bidder on the bid form. Withdrawal of abid during this interval may result in the Bidder's forfeiture of its EMD, if any.

E. Bid Opening and Evaluation of Bids

16. Opening of Techno commercial un-priced Bids

The purchaser will open all techno commercial un-priced bids in the first instance.

17. Clarification of Bids

During evaluation of the bids, the purchaser may, at its discretion, ask the Bidder for clarification of its bid. The request for clarification and the response shall be in writing and no change in price or substance of the bid shall be sought, offered or permitted.

No Bidder shall contact the purchaser on any matter relating to its bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Institute it should be done in writing.

Any effort by a Bidder to influence the purchaser in its decisions on bid evaluation, bid comparison or contract award decisions may result in rejection of the Bidder's bid.

18. Evaluation of Techno commercial un-priced Bid

Prior to the detailed technical evaluation, the purchaser will determine the substantial responsiveness of each bid. A substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Documents without material deviations and meets all the essential pre-bid criteria. If any bidder does not meet the essential pre-bid criteria as laid down in the Instruction to Bidders, then his bid will be summarily rejected. No documents will be accepted in support of essential pre-bid criteria after the last date of submission of bids.

The purchaser will reject a bid determined as not substantially responsive.

The bidders may be called for discussion and may be allowed to modify their technical bids to suit the organization's requirement. The idea is to arrive at a threshold level of acceptability above which all the bidders shall be treated on par. Those whose technical specifications do not reach the threshold level of acceptability shall be rejected as technically unsuitable. The price bids of the bidders who finally emerge as technically acceptable shall be opened, evaluated and the contract awarded to the lowest evaluated bidder.

The bidders short-listed by the purchaser based on meeting the essential pre-bid criteria and detailed evaluationregardingsatisfyingthetechnical criterial aid downint histender document may be called for detailed discussions with a team selected for the purpose, at a specified date, time and venue, if needed.

19. Opening of Priced Bids

The Purchaser will open the Priced Bids of only those bidders who meet the essential pre-bid criteria and whose techno commercial un-priced bids have been found to be substantially responsive.

The priced Bids of the technically qualified bidders shall be opened by the tender committee.

20. Evaluation and Comparison of priced Bids

Arithmetical errors will be rectified on the following basis: If there is a discrepancy between words and figures, whichever is the higher of the two shall be taken as bid price. If the Bidder does not accept the correction of errors, its bid will be rejected

Bidders shall state their bid price for the payment schedule outlined in the Clause 14 of General Conditions of Contract. Bids will be evaluated on the basis of this base price. Bidders are, however, permitted to state an alternative payment schedule and indicate the reduction in bid price they wish to offer for such alternative payment schedule. The purchaser may consider the alternative payment schedule offered by the selected Bidder but it may not be binding on the purchaser.

The purchaser, at its option may ask some more bidders to match the rates of the lowest bidder for creating parallel suppliers.

The currency that shall be used for bid evaluation and comparison purposes to convert all bid prices expressed in various currencies into a single currency is: **Indian Rupees.**

The source of exchange rate shall be: Reserve Bank of India/Any other authentic source.

The date for the exchange rate shall be: Last day for submission of Bids.

21. Purchasers right to accept any bid and to reject any bid or all bids

The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Purchaser's action.

22. Award Criteria

- i. IIT (BHU) shall award the contract to the technically qualified eligible BIDDER whose bid has been determined as the lowest evaluated commercial bid.
- ii. Incaseofabnormallyhighandabnormallylowquotedprice,thebidderwillberejected outrightly.
- iii. Also as per instruction mentioned in Annexure I

23. Notification of Award

Prior to the expiration of the period validity, the purchaser will notify the successful Bidder in writing by letter or by fax, to be confirmed in writing by speed post or hand delivered letter, that its bid has been accepted.

24. Factors Affecting the Award of Supply

- The biddershould have its own Contract support facilities. The support facilities should be fully owned and managed by the bidder.
- Conformity with the Request for Bid/Tender required and conditions.
- The assessment based on the response to Model Response Outline.
- The assessment of the capability of the bidder to meet the terms and conditions.
- The bidders must have executed similar orders, for which the bidder is quoting, as indicated in clause 1 for IITs/NITs/Govt. Offices/PSUs/Govt. Funded Universities/Govt. Funded Autonomous Bodies/Govt. Bodies.
- The cost and the discount offered, if any.

25. Fall clause

The price quoted by the supplier should not be higher than the maximum retail price, if any, for the stores and the same shall not be higher than the price usually charged by the supplier for stores of the same nature, class or description to any other purchaser.

The price charged for the stores supplied under the contract by the supplier shall in no event exceed the lowest price at which the supplier sells the stores of identical description to any other person during the period till performance of all supply orders placed during the currency of the contract is completed. If at any time during the period the supplier reduces the sale price of such stores or sells such stores to any other person including his dealers at a price chargeable under the contract, he shall forthwith notify such reduction or sale to the purchaser and the price payable under the contract for these items of stores supplied after the date of coming into force of such reduction or sale shall stand correspondingly reduced.

If it is discovered that the supplier has contravened the above conditions, then without prejudicetoanyotheractionwhichmightbetakenagainsthim,itshallbelawfulforthepurchaser to (a) revise the price at any stage so as to bring it in conformity with sub-clause(i) above, or (b) to terminate the contract and purchase the items of stores at the risk and cost of the supplier and in that event the provisions of Clause28 of General Conditions of Contract shall, as far as possible, be applicable or recover the loss.

SECTION 3: GENERAL CONDITION OF CONTRACTS

1. Definitions

In this Contract, the following terms shall be interpreted as indicated:

- (a) "The order" means the agreement entered into between the Purchaser and the Supplier including all the attachments and appendices and all documents incorporated as per notification of award.
- (b) "The Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations;
- (c) "TheGoods" means all theitems, which the Supplier is required to supply to the Purchaser under the Contract;
- (d) "Services" means services ancillary to the supply of the Goods, such as transportation and insurance, and any other incidental services training and other obligations of the Supplier covered under the Contract;
- (e) "GCC" means the General Conditions of Contract contained in this section.
- (f) "The Purchaser" means the organization purchasing the Goods i.e. IIT (BHU), VARANASI.
- (g) "The Purchaser's country" is India.
- (h) "The Supplier" means the individual or firm supplying the Goods and Service sunder this Contract.
- (i) "Day" means calendar day.

2. Application

These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the Contract.

3. Standards

The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications, and, when no applicable standard is mentioned, to the authoritative standard appropriate to the Goods' country of origin and such standards shall be the latest issued by the concerned Institution.

4. Use of Contract Documents and Information

The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information except for purposes of performing the Contract.

Any document, other than the Contract itself, shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.

5. Patent Rights

The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark or industrial design rights arising from use of the Goods or any part thereof in India.

6. Submission of the bids.

All bids complete in all respect must be submitted on line on or before the Bid Closing date and time as mentioned on Critical Data Sheet. Tenders received without earnest money etc. shall be rejected.

Tender documents are available on IIT (BHU) website: https://iitbhu.ac.in/tenders or from Central Public Procurement Portal (CPPP) https://eprocure.gov.in/eprocure/app.

Interested bidders may submit their bid through Central Public Procurement Portal (CPPP) https://eprocure.gov.in/eprocure/app.

7. Inspections and Tests

The Purchaser or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract specifications at no extra cost to the Purchaser.

The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at point of delivery and/or at the Goods final destination. If conducted on the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data shall be furnished to the inspectors at no charge to the Purchaser.

Should any inspected or tested Goods fail to conform to the specifications, the Purchaser may reject the goods and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Purchaser.

The Purchaser's right to inspect, test and, where necessary, reject the Goods after the Goods' arrival at Project Site shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to the Goods shipment.

Nothing in GCC Clause 7 shall in any way release the Supplier from any warranty or other obligations under this Contract.

8. Consequences of rejection

If in the event the stores are rejected by the purchaser at the destination and the supplier fails to make satisfactory supplies within the stipulated period of delivery, the purchaser will be at liberty to:

- (a) Allow the supplier to resubmit the stores in replacement of those rejected, within a specified time without any extra cost to the purchaser or
- (b) Reject the material, which shall be final and binding on the contractor.
- (c) Procure the rejected materials of comparable quality from the open market/Govt. stores and the supplier shall be liable to pay the difference in price over the RC prices or get the amount adjusted from the outstanding bills of the supplier or EMD, if any.

9. Packing

The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packingshall be sufficient to withstand, without limitation, rough handling during transit and exposure to extremetemperatures, saltand precipitation during transitand openstorage. Packing cases ize and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract including additional requirements, in any subsequent instructions ordered by the Purchaser.

10. Delivery and Documents

The Supplier shall make **delivery and installation**of the Goods within **12weeks**from the placement of purchase order in pursuance of the notification of award. However, the supplier shall also arrange to execute all orders on priority basis which would be placed to meet any emergent requirements.

In case the purchaser decides to conclude parallel rate contracts, then the requirements would be split on different firms on equitable basis as per the discretion of the purchaser.

The delivery of Stores shall be affected at the premises of the Institute free of all delivery charges and within the stipulated time and as may be elucidated in the confirmed order, accompanied by a delivery challan. No extension of time for delivery of Stores shall normally be accorded.

The supplier shall mail the following documents to the purchaser with a copy to the insurance company:

- 1. 3 Copies of the Supplier invoice showing contract number, goods' description, quantity unit price, total amount;
- 2. Installation Certificate
- 3. InsuranceCertificateifapplicable;
- 4. Manufacturer's/Supplier'swarrantycertificate;
- 5. InspectionCertificateissued bythenominated inspectionagency, ifany
- 6. Supplier's factory inspection report; and
- 7. CertificateofOrigin(ifpossiblebythebeneficiary);
- 8. The above documents should be received by the Purchaser before arrival of the Goods (except where the Goods have been delivered directly to the Consignee with all documents) and, if not received, the Supplier will be responsible for any consequent expenses.

Time and date of delivery – the essence of the contract: The time for and the date of delivery of the stores stipulated shall be deemed to be of the essence of the contract and delivery must be completed not later than the date(s) specified.

11. Insurance

The Goods supplied under the Contract shall be fully insured against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery. The insurance shall be obtained by the suppliers of the value of the goods on "all risks" basis.

12. Transportation

Where the Supplier is required under the Contract to transport the Goods within India defined as Project site, transport to such place of destination in India including insurance, as shall be specified in the Contract, shall be arranged by the Supplier, and the related cost shall be included in the contract Price.

13. Warranty

The Supplier warrants that the Goods supplied under this Contract are new, unused, of the most recent or current models and that they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect arising from design, materials or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in India.

This warranty shall remain valid for at least **12months** (or as specified) after the Goods or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the Contract, unless specified otherwise. The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall with all reasonable speed, repair or replace the defective Goods or parts thereof, without any extra cost to the Purchaser. If the Supplier, having been notified, fails to remedy the defect(s) within a reasonable period, the Purchaser may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

14. Payment

For indigenous supply:

The payment shall be made 100% payment against Supply, Installation and Commissioning and submission of satisfactory PBG@03%.

For imports:

100% payment shall be made through Letter of Credit. Out of this, 60% payment will be released against the invoice, inspection certificate, shipping documents & other required documents as per LC and remaining 40% payment will be released after receiving of materials at IIT (BHU), their successful installation, acceptance of machine & submission of PBG by bidder and its confirmation from the Bank.

The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and the Services performed, and by documents, submitted pursuant to GCC Clause 10, and upon fulfillment of other obligations stipulated in the contract.

15. Prices

Prices charged by the Supplier for Goods delivered and Services performed under the Contract shall not vary from the prices quoted by the Supplier in his bid. The bidder must mention the applicable taxes/duty and exemptions thereon, if any, as per the Government of India norms. The Institute will provide requisite certificate, if any, required by the bidder as per the applicable Govt. of Indianorms.

16. Change Orders

The Purchaser may at any time, by written order given to the Supplier, make changes within the general scope of the Contract in any one or more of the following:

- (a) Drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;
- (b) The method of shipping or packing;
- (c) The place of delivery; and/or
- (d) The services to be provided by the Supplier.

If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within thirty (30) days from the date of the Supplier's receipt of the Purchaser's change order.

17. Contract Amendments

Subject to GCC Clause 16, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.

18. Assignment

The Supplier shall not assign, in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior written consent.

19. Subcontracts

The Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the bid. Such notification, in his original bid or later, shall not relieve the Supplier from any liability or obligation under the Contract.

20. Delays in the Supplier's Performance

Delivery of the Goods and performance of the Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser as per GCC clause 10.

If at any time during performance of the Contract, the Supplier or its sub-contractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the SuppliershallpromptlynotifythePurchaserinwritingofthefactofthedelay, Itslikelyduration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the Supplier's time for performance with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of the Contract.

Except as provided under GCC Clause 23, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of penalty pursuant to GCC Clause 21, unless an extension of time is agreed upon pursuant to GCC Clause 20.2 without the application of liquidated damages.

21. Penalty

Subject to GCC Clause 23, if the Supplier fails to deliver and install any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as penalty, a sum equivalent to 1% per week and the maximum deduction is 10% of the contract price of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause 22.

22. Termination for Default

The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part:

- (a) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the purchase order, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 20; or
- (b) If the Supplier fails to perform any other obligation(s) under the Contract.
- (c) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

'For the purpose of this Clause:

"Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution etc. as per GOI norms.

"Fraudulent practice: a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition;" etc.as per GOI norms.

In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 22.1, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liableto the Purchaser for any excess costs for such similar Goods or Services. However, the Supplier shall continue the performance of the Contract to the extent not terminated.

23. Force Majeure

Notwithstanding the provisions of GCC Clauses 20 & 21, the Supplier shall not be liable for imposition of liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

For purposes of this Clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

24. Termination for Insolvency

The Purchaser may at any time terminate the Contract by giving written notice to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without Compensation to the Supplier provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Purchaser.

25. Termination for Convenience

The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is

terminated, and the date upon which such termination becomes effective.

The Goods that are complete and ready for shipment within 30 days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices.

26. Resolution of Disputes

The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiationany disagreement or dispute arising between them under or in connection with the Contract.

If, after thirty (30) days from the commencement of such informal negotiations, the Purchaser and the Supplier have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms as specified below. These mechanisms may include, but are not limited to, conciliation mediated by a third party, adjudication in an agreed national or international forum, and national or international arbitration.

In case of Dispute or difference arising between the Purchaser and a supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, 1996 as amended from time to time.

27. Governing Language

The contract shall be written in English language. Subject to GCC Clause 28, English language version of the Contract shall govern its interpretation. All correspondence and other documents pertaining to the Contract which are exchanged by the parties shall be written in the same language.

28. Applicable Law

The contract shall be governed by the Law of Contract for the time being in force.

Irrespective of the place of delivery, the place of performance or place of payment under the contract, the contract shall be deemed to have been made at the place from which the acceptance of tender has been issued.

Jurisdiction of Courts: The courts of the place from where the acceptance of tender has been issued shall alone have jurisdiction to decide any dispute arising out of or in respect of this contract.

One month noticewillbegivenbyeitherpartyforterminationofContractduringthetenureof Contract for breach of Clause or otherwise.

29. Taxes and Duties

Suppliers shall be entirely responsible for all taxes, duties, license fees, road permits, etc., incurred until delivery of the contracted Goods to the Purchaser.

Further, if required the Institute will make direct payment to Custom Department against receipt of Challan from the supplier.

30. Performance Security:

- (i) Successful bidder have to furnish 03% of the order value as a performance security in the shape of Fixed Deposit Receipt / Bank Guarantee in favour of the Registrar, Indian Institute of Technology (BHU) valid for a period of 60 days beyond the end of all warranty period / obligations (i.e. must valid for 14 months). Fixed Deposit Receipt / Bank Guarantee should be issued from a schedule bank in India.
- (ii)EarnestMoneyDeposit, if any,willberefundedtothesuccessfulbidderonreceiptofPerformance Security.

31. SupplierIntegrity

The Supplier is responsible for and obliged to conduct all contracted activities in accordance withthe Contract using state of the art methods and economic principles and exercising all means available to achieve the performance specified in the contract.

The Institute Reserves The Right To:

- 1. Reject the quotation in absence of not furnishing the documentary evidence in respect of Trade Tax Registration (G.S.T), Income Tax and Trade Tax clearance certificates together with the performance of supplies in various branches/institutions.
- 2. Reject the quotation in the event of non-furnishing the authentic documentary evidence in respect of Testing reports / Performance report of the concerned Govt. Organization / Institutions about the products being manufactured and marketed. The performance test of the product can be conducted at Institute level also for which charge will have to be borne by the suppliers.
- **3.** Reject the supplies already made, if not found up to the mark. Thorough checking may be adopted to test the correctness of the supply. In such an event further action may call to conform or discard the supply.
- **4.** To reject any addition/alteration in respect of local dealerships intimated by the Principals after consideration of the case by the committee appointed by the Institute for the purpose.
- 5. Cancel this Tender at any point of time without assigning any reason thereof.
- **6.** The Institute also reserves the right to reject the bid of any participated bidder
- 7. The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part:
 - (a) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the purchase order, or within any extension thereof granted by the Purchaser.
 - (b) If the Supplier fails to perform any other obligation(s) under the Contract.
 - (c) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulentpractices in competing for or in executing the Contract.
- **8.** To reject any or all the offers without assigning any reasons thereof.
- 9. All disputes are subject to "Varanasi Jurisdiction" only.
- 10. The decisions of the Institute in all respect shall be final and binding on all.
- 11. The Institute reserves the right to ask the successful bidder to produce all the original documents submitted alongwith the bids for verification at any point of time. During the verification of the document, if it is found that the bidder has concealed/falsified/fabricated any information, the bid and/or purchase order will be cancelled and EMD, if any and/or performance security will be forfeited and action including blacklisting will be taken against the bidder as per norms of the Institute.
- 12. Please ensure that your offer is complete in all respect as no further clarifications shall be sought from you and reaches us within the last date mentioned above. The Institute shall not be responsible for any delay etc.

Coordinator School of Biomedical Engineering, Indian Institute of Technology (BHU), Varanasi, Uttar Pradesh-221005.

NOTE: 1- While arranging the Tender Documents, check list should be placed on TOP.

SECTION 4: SPECIAL CONDITIONS OF CONTRACT

(to be defined by the Purchaser as per the requirement)

1. Essential Pre Bid Criteria

Mandatoryrequirements from the bidders. A bid will be disqualified if any of the criteria provided in I-IX is not fulfilled. Bidders are required to upload the supporting documents for each of the following points under cover 1.

- I. Bidders should be the manufacturer (OEM)/authorized dealer. In case the bid is submitted by the Authorized dealer, the currently valid Authorization letter for participating in this Tender (by clearly mentioning the Reference of this Tender) issued by the OEM must be uploaded (in Annexure V format). The Letter of authorization shall remain valid during execution of supply and installation.
- II. An undertaking from the OEM is required stating that they would facilitate the bidder on a regular basis with technology/product updates and extend all support for the warranty period. In case the OEM withdraws its authorization from bidder, the above service will continued to be provided by the OEM.
- III. A notarized affidavit by the bidder that it has never been black-listed by any IITs/NITs/Govt. Offices/PSUs/Govt. Funded Universities/Govt. Funded Autonomous Bodies/Govt. Bodies must be uploaded along with the technical Bid under cover 1, failing which the Bid shall be rejected. The original shall be submitted before the award of bid by the lowest evaluated successful bidder. This affidavit must be issued on or after issuance of this tender.
- IV. The OEM/bidder must have executed at least one similar nature of supply and installation in any IITs/NITs/Govt.-Offices/PSU/Govt. Funded Universities/Govt. Funded Autonomous Bodies/Govt. bodies University/CFTIs during the last five years. Copies of purchase order, satisfactory installation certificate, names of user, their mobile number/ phone number and email id need to be uploaded.
- V. The OEM/bidder must provide Certified Financial Statement of bidder/OEM from a CA such as Balance Sheet and Profit & Loss account of last three financial years clearly indicating the annual turnover in the supply and installation of similar type of items. The annual financial turnover of bidder/OEM must not be less than 30 lakhs during last 03 financial years.
- VI. Adherence to all specifications is compulsory.
- VII. Manufacturer's/Supplier's 01 years comprehensive warranty.
- VIII. Certificate as per Annexure-V, VI and VII on the letterhead of the company must be uploaded.
 - IX. Only those bidders who will quote rates of all the items will be consider for evaluation. Lowest bidder will be decided on overall L1 basis.

NOTE: THE BID OF THOSE BIDDERS WHO FAILS TO COMPLY THE ABOVE ESSENTIAL CRITERIA WILL NOT BE CONSIDERED FOR TECHNICAL EVALUATION.

2. Documents Comprising the Bid

The tender/Bid shall be submitted online in two part, viz., Technical Bid and Commercial Bid.

I. Technical Bid

The following documents are to be scanned and uploaded as part of the Technical Bidas per the tender document:

- (a) ScannedcopyofTenderForms(TechnoCommercialUn-PricedBid), Declaration, and Tender Acceptance Letter;
- (b)ScannedcopyofproofforsubmissionofTenderDocumentFee/EarnestMoneyDeposit/Declaration Form as per Annexure-VII/Exemption Certificate, if any etc.;
- (c) Scannedcopyofwrittenconfirmationauthorizingthesignatoryofthe Bidtocommitthe Bidder;
- (d)Scanned copy of quoted product brochure

- (e) Scanned copy of completely filled Annexure III with supporting documents
- (f) Scanned copy of Technical Bid and essential Pre-bid Details, if any.
- i. ScannedcopyofdocumentaryevidenceestablishingtheBidder'squalifications to perform the contract if its bid is accepted and the Bidder's eligibility to bid;
- ii. Scanned copy of documentary evidence, that the Goods and Related Services to be supplied by the Bidder are of eligible origin and conform to the Bidding Documents, and
- (g)Scanned copy of Checklist, compliance of Essential pre-bid criteria and TechnicalCompliance Sheet (Annexure II) and any other document required as per the tender;
- (h)Certificate as per Annexure VI.

II. Commercial Bid

The commercial bid comprises of:

- (i) Scanned copy of Tender Form (Price Bid)
- (ii) Price bid in the form of .xls format and to be uploaded in .xls& signed copy to be uploadedin.pdf format.

The Price bid format is provided as .xls format along with this Tender Document at http://eprocure.gov.in/eprocure/app. Bidders are advised to download this .xls format and quotetheir offer/rates in the prescribed column.

In addition to the above requirements, bids submitted by a Joint Venture, shall include a copy of the Joint Venture Agreement entered into by all members. Alternatively, a letter of intent to execute a Joint Venture Agreement in the event of a successful bid shall be signed by all members and submitted with the bid, together with a copy of the proposed Agreement, there to.

The Bidder shall furnish in the Tender Forms information on commissions and gratuities, if any, paid or to be paid to agents or any other party relating to this Bid.

3. Installation & Demonstration

The supplier is required to complete the installation and demonstration of the equipment within **two** weeks of the arrival of materials at the IIT (BHU) site of installation; otherwise the penaltyclause will be the same as per the supply of materials.

In case of any mishappening/damage to equipment and supplies during the carriage of supplies from the origin of equipment to the installation site, the supplier has to replace it with new equipment/supplies immediately at his own risk. Supplier will settle his claim with the insurance company as per his convenience. IIT (BHU) will not be liable to any type of losses in any form.

4. ApplicationSpecialist

The Tenderer should mention in the Techno-Commercial bid the availability and names of Application Specialist and Service Engineers in the nearest regional office.

5. Spares

The Manufacturer/Supplierisrequiredtoprovidestate availability of spares for ten years, if required.

6. TrainingofPersonnel

The supplier shall be required to undertake to provide the technical training to the personnel involved in the use of the equipment at the Institute premises, immediately after completing the installation of the equipment for a minimum period of one week at the supplier's cost.

7. User List

The bidder must provide the list of users where they have deployed similar nature of equipments in last **05** years in prescribed format of Annexure III.

8. Manuals/Documents

1 set of hard copy and 1 set of soft copy in English (preferred as following).

- i. Operating manual
- ii. Servicing & Maintenance manual
- iii. Spare parts list with source of supply and prices
- iv. Pre-installation requirements.

- 10. Services: Bidder must submit Factory Acceptance Test procedure supported with relevant printed literature and certificates.
- 11. The Tender document should also indicate what kind of service/maintenance is required for the system. Whether this service has to be carried out by a company engineer or it can be carried by trained service personnel within India. The frequency of visit and the charges should be mentioned.
- 12. The Tendershould been closed with proper certifications like Authorization Certificate and Proprietary Certificate (in case of Proprietary items).
- **13.** Pre-installation site preparation/inspection requirements to be indicated and specified along with the bid.
- **14.** Bid should include IIT(BHU), Varanasi prices. The Institute will provide requisite certificate, if any, required by the bidder as per the applicable Govt. of India norms.
- **15.** The Bidder to provide compliance statement with respect to each technical specification in the tender document duly supported by the manufacturer's literature. Any other claim will not be accepted and may lead to rejection of the bid.
- **16.** Printed literature in support of compliance to the prescribed specifications is to be submitted.
- 17. Compliance report needs to be submitted as a part of the technical bid.
- 18. Exemption is allowed from payment of Tender fees and EMD as per Government of India norms against submission of currently valid certificate specifically for the item(s) proposed to be procured through this Tender.
- 19. The Institute will provide Custom Duty Exemption Certificate as and when required.
- 20. Bidder should confirm their acceptance that they comply with the provisions with report to "Guidelines for eligibility of a bidder from a country which shares a land border with India as detailed at Annexure-VI. The bidder should submit Certificate for "Bidder from/ Not from Country sharing Land border with India & Registration of Bidder with Competent Authority" as per Order of DoE F.No.6/18/2019-PPD dated 23.07.2020 as mentioned. A certificate shall be submitted by bidders inthe tender documents regarding their compliance with the said order. If the certificate submitted by a bidder whose bid is accepted is found to be false, this would be a ground for immediate termination and further legal action in accordance with law. Annexure VI.
- 21. Defective Equipment: If any of the equipment supplied by the Tenderer is found to be substandard, refurbished, un-merchantable or not in accordance with the description/specification or otherwise faulty, the committee will have the right to reject the equipment or its part. The prices of such equipment shall be refunded by the Tenderer with 18% interest if such payments for such equipment havealreadybeenmade. Alldamagedorunapprovedgoods shall be returned at suppliers costandrisk and the incidental expenses incurred thereon shall be recovered from the supplier. Defective part in equipment, if found before installation and/orduring warrantyperiod, shall be replaced within 30 days on receipt of the intimation from this office at the cost and risk of supplier including all other charges. In case supplier fails to replace above item as per above terms & conditions, IIT (BHU) may consider "Banning" the supplier.

IMPORTANT NOTE:

- 1. Non-compliance of tender terms, non-uploading of required documents, lack of clarity of the specifications, contradiction between bidder specifications and supporting literature etc. may lead to rejection of the bid.
- 2. In the tender, either the Indian agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender.
- 3. If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/product.
 - All documents in support of above essential pre-bid criteria shall be scanned and uploaded under cover 1.

SECTION 7

TENDER FORM

(Techno commercial un-priced Bid)

(On the letter head of the firm submitting the bid)

Tender No	
I CHUCH I 10.	

To Coordinator, School of Biomedical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi, Uttar Pradesh-221005

Dear Sir,

- 1. I/WehaveexaminedandhavenoreservationstotheBiddingDocuments,includingAddenda issued in accordance with Instructions to Bidders;
- 2. I/We meet the eligibility requirements and have no conflict of interest;
- 3. I/We have not been suspended nor declared ineligible in India;
- 4. I/We offer to supply in conformity with the Bidding Documents and in accordance with the Delivery Schedules specified in the Schedule of Requirements the following Goods: [insert a brief description of the Goods and Related Services];
- 6. I/we shall be bound by a communication of acceptance issued by you.
- 7. I/We have understood the Instruction to bidders and Conditions of Contract in the form as enclosed with the invitation to the tender and have thoroughly examined the specifications quoted in the Schedule hereto and am/are fully aware of the nature of the goods required and my/our offer is to supply the goods strictly in accordance with the specifications and requirements.
- 8. Bid Security Declaration Form as per Annexure-VII has been enclosed.
- 9. The following have been added to form part of this tender.
 - (a) Schedule of requirements, quoting the make only duly signed and stamped.(without indicating price)
 - (b) Income Tax clearance certificate.
 - (c) Copy of last audited balance sheet.
 - (d) Copy of Valid GST registration certificate.
 - (e) Copy of similar relevant major purchase orders executed during last five years in IITs/NITs/Govt. Offices/PSUs/Govt. Funded Universities/Govt. Funded Autonomous Bodies/Govt. Bodies.
 - (f) Proof of manufacturing Unit, dealership certificate/general order suppliers.
 - (g) Statement of deviations from financial terms & conditions, if any.
 - (h) Any other enclosure. (Please give details)

11.	Certified that the bidder is:		
	(a) A sole proprietorship firm and the person signing the bid document is the sole proprietor/constituted attorney of the sole proprietor, Or		
	(b) A partnership firm, and the person signing the bid document is a partner of the firm and he has authority to refer to arbitration disputes concerning the business of the partnership by virtue of the partnership agreement/by virtue of general power of attorney. Or		
	(c) A company and the person signing the document is the constituted attorney.

TENDER FORM

(Priced Bid)

(On the letter head of the firm submitting the bid document)

To, Coordinator, School of Biomedical Engineering, Indian Institute of Technology (BHU), Varanasi, Uttar Pradesh-221005

Ref: Tender No	Dated:	

Sir.

Havingexaminedthebiddingdocumentsandhavingsubmittedthetechnocommercial unprimed bidfor thesame, we, the undersigned, hereby submit the priced bidfor supply of goods and services as per the schedule of requirements and in conformity with the said bidding documents.

- 1. We hereby offer to supply the Goods/Services at the prices and rates mentioned in the enclosed schedule of requirement.
- 2. We do hereby undertake that, in the event of acceptance of our bid, the supply of Goods/Services shall be made as stipulated in the schedule of requirement and that we shall perform all theincidental services.
- 3. The prices quoted are inclusive of all charges net IIT(BHU), Varanasi and should be mentioned clearly. We enclose herewith the complete Financial Bid as required by you. This includes:
 - a. Price Schedule (Bill of Quantity-BOQ).
 - b. Statement of deviations from financial terms and conditions.
- 4. Weagreetoabideyourofferforaperiodof365daysfromthedatefixedforopeningofthebid documents and that we shall remain bound by a communication of acceptance within that time.
- 5. We have carefully read and understood the terms and conditions of the bid document and we do hereby undertake to supply as per these terms and conditions. The Financial Deviations are only those mentioned in the statement of deviations from financial terms and conditions.
- 6. We have paid, or will pay the following commissions, gratuities, or fees with respect to the bidding process or execution of the Contract: [insert complete name of each Recipient, its full address,the reason for which each commission or gratuitywas paid and the amount and currency of each such commission or gratuity]

Name of Recipient	ecipient Address		Amount

(If none has been paid or is to be paid, indicate "none.")

- 7. We understand that this bid, together with your written acceptance thereof included in your notification of award, shall constitute a binding contract between us, until a formal contract is prepared and executed; and
- 8. We understand that you are not bound to accept the lowest evaluated bid or any other bid that you may receive.

Certified that the bidder is:

Asoleproprietorshipfirmandthepersonsigningthebiddocumentisthesoleproprietor/constituted attorney of sole proprietor,

Or

A partnership firm, and the person signing the bid document is a partner of the firm and he has authority to refer to arbitration disputes concerning the business of the partnership by virtue of the partnership agreement/by virtue of general power of attorney,

Or

A company and the person signing the bid document is the constituted attorney.

(NOTE:Deletewhateverisnotapplicable.Allcorrections/deletionsshouldinvariablybedulyattested by the person authorized to sign the bid document.)

Wedoherebyundertakethat,untilaformalnotificationofaward,thisbid,togetherwithyourwritten acceptance thereof, shall constitute a binding contract between us.

BIDDER INFORMATION FORM

	DIDDER II II ORIMII	
D.		
Date:		

ADVT. No.:

1. Bidder's Name:
2. In case of JV, legal name of each member: [insert legal name of each member in JV]
3. Bidder's actual or intended country of registration:
4. Bidder's year of registration:
5. Bidder's Address in country of registration:
6. Bidder's Authorized Representative Information
Name:
Address:
Telephone/Fax numbers:
Email Address:
7. Attached are copies of original documents of [check the box(es) of the attached original documents]
 Articles of Incorporation (or equivalent documents of constitution or association), and/or documents
of registration of the legal entity named above.
· In case of JV, letter of intent to form JV or JV agreement.
· In case of Government-owned enterprise or institution, documents establishing:
Legal and financial autonomyOperation under commercial law

Establishing that the Bidder is not dependent agency of the Purchaser

2. Included are the organizational chart, a list of Board of Directors, and the beneficial ownership.

TENDER ACCEPTANCE LETTER

(To be given on Company Letter Head)

Date: Coordinator, School of Biomedical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi, Uttar Pradesh-221005 **Sub: Acceptance of Terms & Conditions of Tender.** Tender Reference No. Name of Tender/ Work: TENDER FOR SUPPLY, INSTALLATION, DEMONSTRATION OF VIRTUAL REALITY HARDWARE AND SOFTWARE SETUP Dear Sir, 1. I/Wehavedownloaded/obtainedthetenderdocument(s)fortheabovementioned'Tender/Work' from the web site(s) namely: as per your advertisement, given in the above mentioned website(s). 2. I/Wehereby certify thatI/Wehavereadtheentireterms and conditions of the tender documents from Page No. to (including all documents like section(s), schedules(s) etc.), which form part of the contract agreement and I/we shall abide hereby by the terms/conditions/ clauses contained therein. 3. The corrigendum(s) issued from time to time by your department/ organizations too have also been taken into consideration, while submitting this acceptance letter. 4. I/We hereby unconditionally accept the tender conditions of above mentioned tender document(s)/ corrigendum(s) in its totality/entirety. 5. In case any provisions of this tender are found violated, then your department/organization shall without prejudice to any other right or remedy be at liberty to reject this tender/bid including the forfeiture of the full said earnest money deposit absolutely. Yours faithfully, (Signature of the Bidder, with Official Seal)

SCHEDULE OF REQUIREMENTS

Technical Specification: Virtual Reality Hardware and Software Setup

Quantity: 01 No.

The Virtual Reality Hardware and Software Tools should consist of the following five sub-components: (1) Virtual Reality (VR) Development Platform Software, (2) Eye-Tracking Analytics Add-on Software, (3) VR Head Mounted Display (HMD) Device, (4) Haptic Data Glove, and (5) VR-ready Laptop Device. The technical specifications for each of these components are listed below:

1. Virtual Reality Development Platform Software

- 1.1 Build applications quickly with the Python scripting language. Platform should provide everything needed to build complete, interactive 3D content and should facilitate Rapid Prototyping.
- 1.2 Support for Python 3.8 scripting (or newer) including access to Open-Source community libraries (such as scipy, matplotlib, and numpy).
- 1.3 Platform should include a Python 2 to 3 conversion tool.
- 1.4 Support for Visual Studio 2019 compiler.
- 1.5 Build VR projects rapidly without the need to compile.
- 1.6 Physically Based Rendering (PBR) art workflow
- 1.7 System should provide Arc Teleport navigation and Snap Rotation features.
- 1.8 Must include sample avatars and animation engine, and the ability to import custom avatars using common avatar formats including .fbx, .glTF, and Cal3D.
- 1.9 Integrated support for a wide variety of head-mounted displays, LCD shutter glasses, and other specialty display technologies such as dome projectors and auto stereoscopes.
- 1.10 OpenXR extensions including eye tracking, face tracking, hand tracking, video passthrough, and more.
- 1.11 VR Development Platform should be based on a create and experience workflow. Users should be able to make changes to virtual worlds and instantly see the effect with no need to recompile.
- 1.12 VR Development Platform should provide a built-in visual world editor able to:
 - Identify sub-parts of models so that users can get a handle on and manipulate them in scripts.
 - View polygon and texture information for the model and sub-parts, information that may help determine the cause if the model is negatively affecting performance.
 - Move, rotate, and scale the model and its sub-parts.
 - Add, delete, and move nodes within the scene graph.
 - Edit model properties such as node names and colors.
 - Navigate around the model and copy the 3D position of points on the model and camera information which may be useful for positioning objects and setting up the viewpoint in scripts.
- 1.13 Platform should support various formats as below:
 - 3D Model Format:
 - o Basic Geometry
 - Industry Standard Formats: .glTF, .fbx
 - Native Format: Open Scene Graph (.OSGB)
 - Legacy Formats: .wrl, .flt, .3ds, .txp, .geo, .bsp,.md2,.ac,.obj,.lwo/lw, .pfb, DirectX .x format
 - o Character/Avatar formats: .glf, .fbx, cal3D (native)
 - o Point Cloud formats: (.ply,.dp,.3dc,.asc)
 - Raster Image Format:
 - o JPG, PNG, TIF, TGA, DDS, GIF, BMP, RGB, RGBA, PIC, JP2, PNM/PGM/PBM
 - o Support for compressed and mip-mapped images provided in .dds format.
 - Audio Modes: mono, stereo, 3D.
 - o Supported Formats: .wav, .mp3, .au, .wma, .mid

- 1.14 Should have a visual scene editor that lets you quickly view assets, examine and modify graph structures, see stats on polygon and texture usage and preview animations, create optimization helpers, and modify materials.
- 1.15 The platform should provide hardware connectivity to the following devices:
 - Visual configuration interface: Easy plug and play connections to most common virtual reality devices
 - Headsets: Support for a wide variety of common HMDs, including Meta Quest Pro, Meta Quest 3; HTC Vive Focus 3 with Eye Tracker option; Varjo XR4 (via Steam), Pico Neo, Pimax Crystal, and more.
 - Immersive Projection: CAVE, Powerwall, mono & 3D Projection systems (including 120Hz and 4K systems)
 - Trackers: Support for a wide variety of common tracking devices (active, passive, outside-in, and inside-out) including WorldViz PPT, Vicon, Optitrack, Vive Trackers, and others.
 - Support for mouse, multiple gamepad/joystick/wheel (any USB DirectInput compatible device), full keyboard.
 - Extensive connectivity to research hardware such as data gloves, EKG devices and scent machines.
 - Mocap Streaming stream mocap data in real time into a virtual environment
 - Haptic devices
 - Eye Tracking (including Meta Quest Pro, HTC Vive Focus 3 with Eye Tracker option; Varjo XR4 (via Steam), and more.
 - Data Acquisition System
 - Hand Controllers
 - Manus Data Gloves and Cyberglove
 - Clustering Capabilities (should support running simulations across up to 64 separate computers with no need to modify code)
- 1.16 Platform should provide multiuser capability that allows to connect with multiple users using a networked connection or frame synchronized clustering.
- 1.17 The platform should support .exe publishing for sharing and demonstrating applications from any Windows PC.
- 1.18 Platform should have OpenGL-based render core that support for most OpenGL features, including recent extensions such as vertex buffer objects (VBO) and vertex/fragment programs.
- 1.19 The platform should support Microsoft DirectX to provide highly optimized multimedia features such as video textures and spatialized sound.
- 1.20 The platform should provide advanced display modes, including multi-pipe rendering, quad buffering, line interlaced stereo, and real-time render-to-texture image warping.
- 1.21 Platform should have pre-programmed interactive nodes that minimize development time for new projects including gravity, collisions, translation and rotation engines, path trajectories, and servoed eye point control.
- 1.22 Extensive support for 2D and 3D text, including TrueType fonts and techniques for reliably aligning your text.
- 1.23 Character animation support: bone-based skinned deformation, morph targets, motion blending, arbitrary prop attaching, and LOD.
- 1.24 Collision detection capabilities between either the viewpoint or any node on the scene graph or between any two arbitrary mesh nodes on the scene graph.
- 1.25 Should have optimization features such as LODs, occluders, and billboards.
- 1.26 Background Node: Supports cube maps, rectilinear panoramas, dome, dome mirrored, plane.
- 1.27 Should have GUI creation libraries that let you create HUD-style UI elements such as text, push buttons, and slider bars.
- 1.28 The platform should provide the following rendering capabilities:
 - Sophisticated material shading techniques:
 - o Physically based rendering (PBR) capabilities

- Cubic environment maps, pixel shaders, bump mapping, reflections, refraction, shadows, multipass texturing, particles, transparency, projective texture mapping, and non-photorealistic rendering filters.
- Multiple monitor/viewports configurations that are user definable. 16:9 aspect ratio or any other custom configuration is possible; zoom-in/out effects.
- User-definable linear and exponential fog.
- Non- power-of-two static and video textures through the ARB texture rectangle allowing texture effects without resizing penalty.
- Polygon offset feature used for rendering polygons which overlay underlying geometry; to avoid z-buffer collisions.
- Unlimited number of cameras that can be used.
- Dynamic lighting (spot, omni and directional type)
- Embed HTML display right in the graphics window for instant display of text and graphics.

2. Eye-Tracking Analytics Add-on Software

- 2.1 The software should feature a drag-and-drop GUI configurator
- 2.2 Should build VR scenes with detailed data collection in minutes
- 2.3 Should record gaze direction, pupil size, fixation timing, saccades, and more
- 2.4 Should insert own 3D geometry and target objects.
- 2.5 Should record and replay VR sessions with advanced analytics overlays
- 2.6 Should access to source code to customize experiment
- 2.7 Should connect VR scene to multiple devices including biofeedback, data gloves, and more.
- 2.8 Should include a heatmap, areas of interest, custom flags, and more advanced analytical tools.
- 2.9 Should provide multi-user capabilities allowing multiple participants to navigate and interact with the same scene simultaneously.
- 2.10 Should include many templates enabling easy experiment creation, in some cases without the need for scripting or programming.

3. VR Head Mounted Display (VR-HMD) Device

- 3.1 Headset should support full-color mixed reality that enables users to create and collaborate in the virtual world while staying present in the physical world. Headset must provide stereoscopic mixed reality color passthrough with good depth perception and low visual distortion for both close-up and room scale mixed reality scenarios.
- 3.2 Headset should support real-time expression tracking. Headset should incorporate at least 5 infrared eye and face tracking sensors capable of at least 120-degree field of view each, arranged to capture user's upper and lower facial movements.
- 3.3 Headset should be built with premium optics for optimal visual clarity. Should incorporate thin pancake lenses, good pixel density, local dimming and quantum dot technology. Local dimming technology should be capable of controlling over 500 individual LED blocks independently.
- 3.4 Should utilize at least 10 VR/MR sensors to support inside-out tracking with 6 degrees of freedom as well as color mixed reality and eye/face tracking.
- 3.5 Should have storage of 256GB or more.
- 3.6 Display Panel: 2 x QLED (Quantum Dot) Binocular with Local Dimming
- 3.7 Display Resolution: 1800×1920 per eye or better
- 3.8 Display Refresh: 90Hz or better
- 3.9 Chipset: Qualcomm® SnapdragonTM XR2+ Platform or better
- 3.10Audio: Integrated stereo speakers, microphone, and 3.5mm audio jack.
- 3.11 RAM: 12GB LPDDR5 or better
- 3.12 Communications:
 - o Wi-fi: Wi-Fi 6E enabled.

- o Bluetooth: Bluetooth 5.2. Connect keyboard, mouse, or game pads.
- o PC based VR: Supported with Link and Air Link. Requires Wi-Fi 6E compatible network. Only available in supported Wi-Fi 6E regions.
- 3.13 Battery life: minimum 2.5 hours
- 3.14 Headset should offer adjustable levels of VR immersion from fully open peripheral vision, to partial blocked or fully immersed. Device should accommodate interpupillary distance (IPD) range from 55-75 mm, with continuous mechanical lens spacing adjustment for better visual clarity and less eye strain.
- 3.15Should weigh less than 800 grams.
- 3.16The headset should have handheld controllers with following specifications:
 - o It should weigh less than 200 g (per controller).
 - o The processor should be a Qualcomm Snapdragon 662 mobile processor or better per controller
 - o Controller Tracking should be SLAM-based with at least 3 camera sensors per controller
 - o Built-in rechargeable batteries, up to 10 hours of controller battery life
 - Sensors:
 - Windows Mixed Reality Tracking
 - o IMU
 - o Active LEDs
 - Connections: Bluetooth
 - o Inputs:
 - o A&B (right) or X&Y (left) buttons
 - Menu button
 - Windows Start button
 - Grip trigger
 - o Thumb stick
 - o Trigger
 - o Power: 2AA batteries (1 for each controller)

4. Haptic Data Glove

- 4.1 The data glove should provide accurate hand movements and gestures with tracking that continues even where optical systems fall short.
- 4.2 It should provide ultra-lightweightintegrated vibrotactilehaptics to feel a comfortable and immersive experience with lightweight, non-obtrusive haptics.
- 4.3 It should offer unrestricted range of motion and magnetic immunity, ensuring a seamless and immersive VR experience.
- 4.4 It should provide a quick and easy setup which is ready to operate in under few minutes with intuitive use and without needing complicated instructions.
- 4.5 Should provide up to 12 hours of uninterrupted use, with battery swappable for extended use.
- 4.6 It should have the following specifications:
 - Signal Latency: ≤ 7.5 ms
 - o Sensor Sample Rate: 90 Hz or better
 - o Battery Duration: ≥12 hours
 - o Charging Time: ≤3 hours (USB Type-C)
 - o Wired Communication: USB Type-C
 - o Wireless Communication: Bluetooth Low Energy 5
 - Supported Operating Systems: Windows 10/11
 - o Finger Sensor Type: 5x 2DoF Flexible sensors and 6x 9DoF IMU's
 - o Finger Flexible Sensor Repeatability: >1.000.000 cycles
 - Orientation Sensor Accuracy: +/- 2.5 degrees or better
 - Haptic Feedback: Integrated VibrotactileHaptics

5. VR-ready Laptop

- 5.1. Intel Core i7 CPU or better
- 5.2. 32 GB RAM or more
- 5.3. Nvidia GeForce RTX 3060 GPUor better
- 5.4. Windows 10 or 11 Operating system
- 5.5. HDMI port (at least 1)
- 5.6. USB-C port (at least 1)
- 5.7. Should come with preinstalled Microsoft Office software (word, excel, PowerPoint).
- 5.8 Total Hard disk of 1 TB SSD or better.

Additional general Terms and Conditions of Virtual Reality Hardware and Software Setup

- 1. Bid should clearly mention the Make and Model of equipment and its spares will be supplied.
- 2. The bid document should also indicate what kind of service/maintenance is required for the system. Whether this service has to be carried out by a company engineer or it can be carried by trained service personnel within India. The frequency of visit and the charges should bementioned.
- 3. Bid should include all essential ancillary equipment and spares for its operation on turn-key basis on delivery (please provide list withdetails).
- 4. Pre-installation site preparation requirements to be indicated and specified along with thebid.
- 5. Installation and training should be provided free ofcost.
- 6. Warranty period to be clearly mentioned and should begin from the date of installation. And also specify the AMC charges for three years individually, after the warranty period. This charge will not be included in finalizing the lowest price bid.
- 7. Guaranteed specifications to be demonstrated at the time of installation. Any necessary standard samples for that purpose should be brought by the ServiceEngineers.
- 8. Bid should include **FOR PRICE IIT (BHU), Varanasi** prices (Custom Clearance will be the responsibility of the supplier).
- 9. Give Bankers name and address.
- 10. The vendor to provide compliance statement with respect to each technical specification in the tender document duly supported by the manufacturer's literature. Any other claim will not be accepted and may lead to rejection of thebid.
- 11. Printed literature in support of compliance to the prescribed specifications is to besubmitted.
- 12. Compliancereportneedstobesubmittedasapartofthetechnicalbid.
- 13. Technical evaluation by the Institute may include demonstration to verify functionalities and capabilities of the system quoted.

Note:-Only those bidders who will quote rates of all the items will be consider for evaluation. Lowest bidder will be decided on overall L1 basis.

COORDINATOR School of Biomedical Engineering Indian Institute of Technology (BHU) Varanasi – 221005,U.P.

TECHNICAL COMPLIANCE STATEMENT

- Industry Standard Formats: .glTF, .fbx
- Native Format: Open Scene Graph (.OSGB)
- Legacy Formats: .wrl, .flt, .3ds, .txp, .geo, .bsp,.md2,.ac,.obj,.lwo/lw, .pfb, DirectX
 .x format
- o Character/Avatar formats: .glf, .fbx, cal3D (native)
- o Point Cloud formats: (.ply,.dp,.3dc,.asc)
- Raster Image Format:
- o JPG, PNG, TIF, TGA, DDS, GIF, BMP, RGB, RGBA, PIC, JP2, PNM/PGM/PBM
- o Support for compressed and mip-mapped images provided in .dds format.
- Audio Modes: mono, stereo, 3D.
- o Supported Formats: .wav, .mp3, .au, .wma, .mid
- 14. Should have a visual scene editor that lets you quickly view assets, examine and modify graph structures, see stats on polygon and texture usage and preview animations, create optimization helpers, and modify materials.
- 15. The platform should provide hardware connectivity to the following devices:
- Visual configuration interface: Easy plug and play connections to most common virtual reality devices
- Headsets: Support for a wide variety of common HMDs, including Meta Quest Pro, Meta Quest 3; HTC Vive Focus 3 with Eye Tracker option; Varjo XR4 (via Steam), Pico Neo, Pimax Crystal, and more.
- Immersive Projection: CAVE, Powerwall, mono & 3D Projection systems (including 120Hz and 4K systems)
- Trackers: Support for a wide variety of common tracking devices (active, passive, outside-in, and inside-out) including WorldViz PPT, Vicon, Optitrack, Vive Trackers, and others.
- Support for mouse, multiple gamepad/joystick/wheel (any USB DirectInput compatible device), full keyboard.
- Extensive connectivity to research hardware such as data gloves, EKG devices and scent machines.
- Mocap Streaming stream mocap data in real time into a virtual environment
- Haptic devices
- Eye Tracking (including Meta Quest Pro, HTC Vive Focus 3 with Eye Tracker option; Varjo XR4 (via Steam), and more.
- Data Acquisition System
- Hand Controllers
- Manus Data Gloves and Cyberglove
- Clustering Capabilities (should support running simulations across up to 64 separate computers with no need to modify code)
- 16. Platform should provide multiuser capability that allows to connect with multiple users using a networked connection or frame synchronized clustering.
- 17. The platform should support .exe publishing for sharing and demonstrating applications from any Windows PC.

Platform should have OpenGL-based render core that support for most OpenGL features, including recent extensions such as vertex buffer objects (VBO) and vertex/fragment programs. The platform should support Microsoft DirectX to provide highly optimized 19. multimedia features such as video textures and spatialized sound. 20. The platform should provide advanced display modes, including multi-pipe rendering, quad buffering, line interlaced stereo, and real-time render-to-texture image warping. Platform should have pre-programmed interactive nodes that minimize 21. development time for new projects including gravity, collisions, translation and rotation engines, path trajectories, and servoed eye point control. 22. Extensive support for 2D and 3D text, including TrueType fonts and techniques for reliably aligning your text. 23. Character animation support: bone-based skinned deformation, morph targets, motion blending, arbitrary prop attaching, and LOD. Collision detection capabilities between either the viewpoint or any node on the 24. scene graph or between any two arbitrary mesh nodes on the scene graph. 25. Should have optimization features such as LODs, occluders, and billboards. Background Node: Supports cube maps, rectilinear panoramas, dome, dome 26. mirrored, plane. 27. Should have GUI creation libraries that let you create HUD-style UI elements such as text, push buttons, and slider bars. The platform should provide the following rendering capabilities: 28. • Sophisticated material shading techniques: o Physically based rendering (PBR) capabilities o Cubic environment maps, pixel shaders, bump mapping, reflections, refraction, shadows, multi-pass texturing, particles, transparency, projective texture mapping, and non-photorealistic rendering filters. • Multiple monitor/viewports configurations that are user definable. 16:9 aspect ratio or any other custom configuration is possible; zoom-in/out effects. • User-definable linear and exponential fog. • Non- power-of-two static and video textures through the ARB texture rectangle allowing texture effects without resizing penalty. • Polygon offset feature used for rendering polygons which overlay underlying geometry; to avoid z-buffer collisions. • Unlimited number of cameras that can be used. • Dynamic lighting (spot, omni and directional type) • Embed HTML display right in the graphics window for instant display of text and **Eye-Tracking Analytics Add-on Software** 2.1 The software should feature a drag-and-drop GUI configurator 2.2 Should build VR scenes with detailed data collection in minutes 2.3 Should record gaze direction, pupil size, fixation timing, saccades, and more 2.4 Should insert own 3D geometry and target objects.

2.

	2.5 Should record and replay VR sessions with advanced analytics overlays	
	2.6 Should access to source code to customize experiment	
	2.7 Should connect VR scene to multiple devices including biofeedback, data gloves, and more.	
	2.8 Should include a heatmap, areas of interest, custom flags, and more advanced analytical tools.	
	2.9 Should provide multi-user capabilities allowing multiple participants to navigate and interact with the same scene simultaneously.	
	2.10 Should include many templates enabling easy experiment creation, in some cases without the need for scripting or programming.	
3.	VR Head Mounted Display (VR-HMD) Device	
	1. Headset should support full-color mixed reality that enables users to create and collaborate in the virtual world while staying present in the physical world. Headset must provide stereoscopic mixed reality color pass through with good depth perception and low visual distortion for both close-up and room scale mixed reality scenarios.	
	2. Headset should support real-time expression tracking. Headset should incorporate at least 5 infrared eye and face tracking sensors capable of at least 120-degree field of view each, arranged to capture user's upper and lower facial movements.	
	3. Headset should be built with premium optics for optimal visual clarity. Should incorporate thin pancake lenses, good pixel density, local dimming and quantum dot technology. Local dimming technology should be capable of controlling over 500 individual LED blocks independently.	
	4. Should utilize at least 10 VR/MR sensors to support inside-out tracking with 6 degrees of freedom as well as color mixed reality and eye/face tracking.	
	5. Should have storage of 256GB or more.	
	6. Display Panel: 2 x QLED (Quantum Dot) Binocular with Local Dimming	
	7. Display Resolution: 1800×1920 per eye or better	
	8. Display Refresh: 90Hz or better	
	9. Chipset: Qualcomm® Snapdragon TM XR2+ Platform or better	
	10. Audio: Integrated stereo speakers, microphone, and 3.5mm audio jack.	
	11. RAM: 12GB LPDDR5 or better	
	 12. Communications: Wi-fi: Wi-Fi 6E enabled. Bluetooth: Bluetooth 5.2. Connect keyboard, mouse, or game pads. PC based VR: Supported with Link and Air Link. Requires Wi-Fi 6E compatible network. Only available in supported Wi-Fi 6E regions. 	
	13. Battery life: minimum 2.5 hours	
	i e	

14. Headset should offer adjustable levels of VR immersion from fully open peripheral vision, to partial blocked or fully immersed. Device should accommodate interpupillary distance (IPD) range from 55-75 mm, with continuous mechanical lens spacing adjustment for better visual clarity and less eye strain. 15. Should weigh less than 800 grams. 16. The headset should have handheld controllers with following specifications: o It should weigh less than 200 g (per controller). o The processor should be a Qualcomm Snapdragon 662 mobile processor or better per controller o Controller Tracking should be SLAM-based with at least 3 camera sensors per controller o Built-in rechargeable batteries, up to 10 hours of controller battery life Windows Mixed Reality Tracking o IMU Active LEDs Connections: Bluetooth Inputs: o A&B (right) or X&Y (left) buttons Menu button Windows Start button o Grip trigger o Thumb stick Trigger o Power: 2AA batteries (1 for each controller) **Haptic Data Glove** 4. 1. The data glove should provide accurate hand movements and gestures with tracking that continues even where optical systems fall short. 2. It should provide ultra-light weight integrated vibrotactilehaptics to feel a comfortable and immersive experience with lightweight, non-obtrusive haptics. 3. It should offer an unrestricted range of motion and magnetic immunity, ensuring a seamless and immersive VR experience. 4. It should provide a quick and easy setup which is ready to operate in under few minutes with intuitive use and without needing complicated instructions. 5. Should provide up to 12 hours of uninterrupted use, with battery swappable for extended use.

	6. It should have the following specifications:				
	o Signal Latency: ≤ 7.5 ms				
	 Sensor Sample Rate: 90 Hz or better 				
	o Battery Duration: ≥12 hours				
	○ Charging Time: ≤3 hours (USB Type-C)				
	 Wired Communication: USB Type-C 				
	 Wireless Communication: Bluetooth Low Energy 5 				
	 Supported Operating Systems: Windows 10/11 				
	o Finger Sensor Type: 5x 2DoF Flexible sensors and 6x 9DoF IMU's				
	o Finger Flexible Sensor Repeatability: >1.000.000 cycles				
	 Orientation Sensor Accuracy: +/- 2.5 degrees or better 				
	Haptic Feedback: Integrated VibrotactileHaptics				
5.	VR-ready Laptop 1. Intel Core i7 CPU or better 2. 32 GB RAM or more 3. Nvidia GeForce RTX 3060 GPUor better 4. Windows 10 or 11 Operating system 5. HDMI port (at least 1) 6. USB-C port (at least 1) 7. Should come with preinstalled Microsoft Office software (word, excel, PowerPoint).				
	8. Total Hard disk of 1 TB SSD or better.				

The above compliance statement form is only indicative and can be modified according to requirements of the bidder.

ORIGINAL EQUIPMENT MANUFACTURER (OEM) Manufacturing Authorization Form(MAF) (On Letter Head of Manufacturer)

Tender No.:
To Coordinator School of Biomedical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi – 221005
Dear Sir,
We manufactures of original equipment at (address of
factory) do hereby authorize M/s (Name and address of Agent) to submit a
bid,negotiateandreceivetheorderformatagainstyourtenderenquiry.M/s
is authorized to bid and conclude the contract in regard to this
business. We here by extendour full guarantee and warranty as per clause of the Terms and conditions NIQ for the theorem and the properties of the terms of the
goodsandservicesofferedbytheabove firm.
Yours Faithfully,
(Name)
(Name & Seal of Manufacturers)

DECLARATION

(to be submitted on the letterhead of Company)

To, Coordinator School of Biomedical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi – 221005

We certify as under:

We have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India and on sub-contracting to contractors from such countries, and solemnly certify that we fulfill all requirements in this regard and are eligible to be considered.

We certify that:

(a) We are not from such a country or, if from such a country, we are registered with the Competent Authority (copy enclosed).

and:

(b) Weshallnotsubcontractanyworktoacontractorfromsuchcountriesunlesssuch contractoris registered with the Competent Authority.

Yours faithfully,

(Signature of the Bidder, with Official Seal)

BID SECURING DECLARATION FORM (on the Letterhead of the bidder)

To Coordinator School of Biomedical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi – 221005

I/We. The undersigned, declare that:

I/We understand that bids must be supported by a Bid Securing Declaration.

I/We accept that I/We may be disqualified from bidding for any contract with IIT(BHU), Varanasi for a period of two years from the date of notification if I am /We are in a breach of any obligation under the bid conditions, because I/We

- a) have withdrawn/modified/amended, impairs or derogates from the tender, my/our Bid during the period of bid validity or its extended period, if any; or
- b) having been notified of the acceptance of our Bid by the purchaser during the period of bid validity
- (i) fail or refuse to execute the contract, if required, or
- (ii) failorrefusetofurnishthePerformanceBankGuarantee,inaccordancewiththeInstructionsto Bidders.
- c) If the bidder is found indulging in any corrupt, fraudulent or other malpractice in respect of the bid; or
- d) If there is a discrepancy between words and figures quoted by the bidder then in that case the amount quoted in words will be treated as final.

I/We understand this Bid Securing Declaration shall cease to be valid if I am/we are not the successful Bidder, upon the earlier of (i) the receipt of your notification of the name of the successful Bidder; or (ii) thirty days after the expiration of the validity of my/our Bid.

Signed:
