  - Instructions for Online Bid Submission
  - Instruction to Bidders
  - General conditions of contract (GCC)
  - Special Condition of Contracts
  - Checklist for Bid/Tender submission
  - Declaration Certificate
  - Technical specifications for the complete project (Annexure 1)
  - Compliance Sheet

## **SECTION 1: INSTRUCTION FOR ONLINE BID SUBMISSION**

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (<https://eprocure.gov.in/eprocure/app>). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More useful information for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

### **1. Registration**

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (<https://eprocure.gov.in/eprocure/app>) by clicking on the link “Click here to Enroll”. Enrolment on the CPP Portal is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g., Sify/ TCS/ n-Code/ e-Mudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID/ password and the password of the DSC/ eToken.

### **2. Searching for Tender Documents**

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

### **3. Preparation of Bids**

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content

of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g., PAN card copy, annual reports, auditor certificates, etc.) has been provided to the bidders. Bidders can use “My Space” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

#### **4. Submission of Bids**

1. Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e., on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Bidder has to select the payment option as “on-line” to pay the tender processing fee as applicable and enter details of the instrument. Whenever Tender processing fees is sought, bidders need to pay the tender processing fee on-line through RTGS.
4. A standard BoQ format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BoQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
5. The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
6. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done.
7. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
8. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
9. Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

## 5. Assistance to Bidders

1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

## 6. General Instructions to the Bidders

1. The tenders will be received online through portal <https://eprocure.gov.in/eprocure/app>. In the Technical Bids, the bidders are required to upload all the documents in **.pdf format**.
2. Possession of a Valid Class II/III Digital Signature Certificate (DSC) in the form of smart card/ e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through <https://eprocure.gov.in/eprocure/app>. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site <https://eprocure.gov.in/eprocure/app> under the link “Information about DSC”.
3. Tenderer are advised to follow the instructions provided in the ‘Instructions to the Tenderer for the e-submission of the bids online through the Central Public Procurement Portal for e Procurement at <https://eprocure.gov.in/eprocure/app> .

## **SECTION 2: INSTRUCTIONS TO BIDDERS**

### **A. Introduction**

#### **1. Scope of Work**

IIT(BHU), Varanasi invites online bids from the manufacturers/suppliers/upgraders on behalf of The Director, IIT (BHU) for supply of Equipment as per the technical specifications given in Annexure-I and as per terms and conditions of this tender document. Suppliers should assure complete commissioning of the system including installation and application training for efficient utilization of **Fabrication, Assembling and Installation of Ram Type Heavy Duty CNC Horizontal Boring & Milling machine (Floor Type)**.

#### **2. Cost of Bidding**

The Bidder shall bear all costs associated with the preparation and submission of its bid, and "the Purchaser", will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

### **B. The Bidding Documents**

#### **3. Tender Processing Fees**

The Tender Processing fees (**Rs. 11,800/-**) should be submitted ONLINE as per the details mentioned above. Further, the proof of payment must be uploaded with Technical Bid. The exemption will be applicable as per Govt. of India norms.

#### **4. Content of Bidding Documents**

**4.1** The goods required, bidding procedures and contract terms are prescribed in the bidding documents. In addition to Invitation of Bids, the bidding documents include:

- (a) Instructions for Online Bid Submission
- (b) Instruction to Bidders (ITB)
- (c) General Conditions of Contract (GCC)
- (d) Special Conditions of Contract (SCC)
- (e) Schedule of Requirements
- (f) Tender Form (Technical Bid)
- (g) Tender Form (Financial Bid)

**4.2** The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidder's risk and may result in rejection of its bid.

#### **5. Amendment of Bidding Documents**

**5.1** At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment.

**5.2** All prospective bidders who have received the bidding documents will be notified of the amendment in writing, which will be binding on them.

**5.3** In order to allow prospective bidders reasonable time within which to take the amendment into account in preparing their bids, the Purchaser, at its discretion, may extend the deadline for the submission of bids.

### **C. Preparation of Bids**

#### **6. Language of Bid**

The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Purchaser shall be written in English language.

#### **7. Documents Comprising the Bid**

**7.1 Techno commercial un-priced bid and priced bid:** The bids are to be submitted in two parts i.e.

Techno commercial un-priced bid and priced bid.

- (a) Techno commercial un-priced bid along with Bid Securing Declaration Form (EMD) as shown in invitation to bids shall be submitted through CPP Portal. If the proof of Bid Securing Declaration Form as EMD is not received along with the technical bid, such bid will not be considered. The samples (if required) of all the items shown in the schedule of requirements of each tender should also accompany the techno commercial un-priced bid in a separate cover.
- (b) Priced bid.

**7.2 Techno commercial un-priced bid:** The techno commercial un-priced bid prepared by the bidder shall be provided in the following Model Response Format:

**Model Response Format**

- (a) Standing of each Bidder Manufacturer/Dealer and past experience in supply of the material (certificates to be enclosed), proof of manufacturing Unit/Dealership along with all the documents required for proving the credentials regarding the fulfilment of essential pre-bid criteria.
- (b) List of other Govt. Departments, Public Sector units and Central Autonomous Bodies for which the bidder is supplying material or having the similar type of contracts and a certificate regarding the satisfactory performance of the contract (In the Annexure III format).
- (c) Copy of the audited balance sheet of the vendor for the previous financial year indicating the turnover in supply of the relevant materials/service.
- (d) Details of Permanent Account Number and latest income tax clearance certificate.
- (e) Details of GST No. along with a copy of certificate to be attached.
- (f) Submission of samples if required, for all items indicated in the schedule of requirements. The make of items proposed to be supplied should be indicated in the format of the schedule of requirements and submitted along with the techno commercial un-priced bid without indicating the pricing components.
- (g) Willingness to execute all orders which are placed to meet emergency requirement on priority basis. The Bidder shall note that standards for workmanship, material and equipment, and references to brand names designated by the Purchaser in the schedule of requirements are intended to be descriptive only and not restrictive. The Bidder may substitute alternative standards, brand names and/or catalogue numbers in his bid, provided that it demonstrates to the Purchaser's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

**7.3 Price Bid:** The price bid shall comprise the techno commercial bid along with the price component indicating the Unit prices for each and every item indicated in schedule of requirements (Annexure 1).

- (i) The prices quoted must be net per unit as shown in the Schedule and must include all charges for delivery at F.O.R. IIT (BHU) Varanasi/HMT MTH Hyderabad and should be mentioned clearly.
- (ii) The rate must be stated for each item separately both in words and figures. If there is a discrepancy between the price quoted in word and figures the higher price quoted will be treated as final.
- (iii) Quoted prices should be firm and inclusive of taxes/duties, freight and forwarding charges, handling charges, loading and unloading charges, and insurance charges etc. However, the prices must be reflected clearly in BoQ format by mentioning basic rate, GST, Freight charges, Any other Taxes/Duties/Levies and exemptions thereon as applicable to IITs.
- (iv) The prices once accepted by the Institute shall remain valid till the successful execution of the order and till supplies is fully effected and accepted or 12 months from the date of acceptance of tender whichever is later. The Institute shall not entertain any increase in the rates during the period. However, in the event there is a reduction or increase in Government levy/duties/taxes.
- (v) during the period of execution of the order, the rates shall be suitably adjusted with effect from the date notifying the said reduction or increase in the Government levy/taxes/duty, if any.

**8. Bid Prices**

8.1 The Bidder shall indicate on the Schedule of requirements (BoQ), the unit prices of the goods it proposes to supply under the Contract and enclose it with the priced bid.

8.2 Prices indicated on the Price Schedule shall be entered separately in the following manner:

- (i) The prices quoted must be net per unit as shown in the schedule of requirements and must include all charges for delivery at the designated stores.
- (ii) Any Indian duties, GST and other taxes which will be payable on the goods, if this Contract is awarded.

8.3 Prices quoted by the Bidder shall be fixed during the Bidder's performance of the Contract and not subject to variation on any account.

## 9. Bid Currencies

Prices shall be quoted in Indian Rupees Only.

## 10. Period of Validity of Bids

10.1 Bids shall remain valid for **180** days after the date of bid opening prescribed by the Purchaser. A bid valid for a shorter period shall be rejected by the Purchaser as non-responsive.

10.2 In exceptional circumstances, the Purchaser may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. A Bidder granting the request will not be required nor permitted to modify the bid.

10.3 Bid evaluation will be based on the bid prices without taking into consideration the above modifications.

## D. Submission of Bids

11. The tender has to be submitted **ONLINE** before the due date. The offers received after the due date and time will not be considered. **No manual bids will be considered.**

## 12. Deadline for Submission of Bids

12.1 Bids must be received by the Purchaser **ONLINE** not later than the time and date specified in the Invitation for Bids.

12.2 The Purchaser may, at his discretion, extend this deadline for submission of bids by amending the bid documents in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

## 13. Late/Delayed Bids

The offers received after the due date and time will not be considered.

## 14. Modifications and Withdrawal of Bids

14.1 The Bidder may modify or withdraw its bid after the ONLINE bid's submission, as per the provision of CPP Portal.

14.2 No bid may be modified subsequent to the deadline for submission of bids. No documents will be accepted in support of essential pre-bid criteria after the last date of submission of bids.

14.3 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity specified by the Bidder on the bid form.

## E. Bid Opening and Evaluation of Bids

### 15. Opening of Techno commercial un-priced Bids

The purchaser will open all techno commercial un-priced bids in the first instance.

### 16. Clarification of Bids

- 16.1** During evaluation of the bids, the purchaser may, at its discretion, ask the Bidder for clarification of its bid. The request for clarification and the response shall be in writing and no change in price or substance of the bid shall be sought, offered or permitted.
- 16.2** No Bidder shall contact the purchaser on any matter relating to its bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Institute, it should be done in writing.
- 16.3** Any effort by a Bidder to influence the purchaser in its decisions on bid evaluation, bid comparison or contract award decisions may result in rejection of the Bidder's bid.

### **17. Evaluation of Techno commercial un-priced Bid**

- 17.1** Prior to the detailed technical evaluation, the purchaser will determine the substantial responsiveness of each bid. A substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Documents without material deviations and meets all the essential pre-bid criteria. If any bidder does not meet the essential pre-bid criteria as laid down in the Instruction to Bidders, then his bid will be summarily rejected. No documents will be accepted in support of essential pre-bid criteria after the last date of submission of bids.
- 17.2** The purchaser will reject a bid determined as not substantially responsive.
- 17.3** The bidders may be called for discussion and may be allowed to modify their technical bids to suit the organization's requirement. The idea is to arrive at a threshold level of acceptability above which all the bidders shall be treated on par. Those whose technical specifications do not reach the threshold level of acceptability shall be rejected as technically unsuitable. The price bids of the bidders who finally emerge as technically acceptable shall be opened, evaluated and the contract awarded to the lowest evaluated bidder.
- 17.4** The bidders short-listed by the purchaser based on meeting the essential pre-bid criteria and detailed evaluation regarding satisfying the technical criteria laid down in this tender document may be called for detailed discussions with a team selected for the purpose, at a specified date, time and venue, if needed.

### **18. Opening of Priced Bids**

- 18.1** The Purchaser will open the Priced Bids of only those bidders who meet the essential pre-bid criteria and whose techno commercial un-priced bids have been found to be substantially responsive.
- 18.2** The priced Bids of the technically qualified bidders shall be opened by the tender committee.

### **19. Evaluation and Comparison of priced Bids**

- 19.1** Arithmetical errors will be rectified on the following basis: If there is a discrepancy between words and figures, whichever is the higher of the two shall be taken as bid price. If the Vendor does not accept the correction of errors, its bid will be rejected
- 19.2** Bidders shall state their bid price for the payment schedule outlined in the Clause 14 of General Conditions of Contract. Bids will be evaluated on the basis of this base price. Bidders are, however, permitted to state an alternative payment schedule and indicate the reduction in bid price they wish to offer for such alternative payment schedule. The purchaser may consider the alternative payment schedule offered by the selected Bidder but it may not be binding on the purchaser.
- 19.3** The purchaser, at its option may ask some more bidders to match the rates of the lowest bidder for creating parallel suppliers.
- 19.4** The currency that shall be used for bid evaluation and comparison purposes to convert all bid prices expressed in various currencies into a single currency is: Indian Rupees
- 19.5** The source of exchange rate shall be: Reserve Bank of India/Any other authentic source.

**19.6** The date for the exchange rate shall be: **Last day for submission of Bids.**

**20. Purchasers right to accept any bid and to reject any bid or all bids**

The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Purchaser's action.

**21. Award Criteria**

- a. IIT (BHU) shall award the contract to the technically qualified eligible BIDDER whose bid has been determined as the lowest evaluated commercial bid.
- b. If more than one BIDDER happens to quote the same lowest price, IIT(BHU) Varanasi reserves the right to award the contract to more than one BIDDER or any BIDDER.

**22. Notification of Award**

Prior to the expiration of the period validity, the purchaser will notify the successful Bidder in writing by letter or by fax, to be confirmed in writing by speed post or hand delivered letter, that its bid has been accepted.

**23. Factors Affecting the Award of Supply**

**23.1** The bidder should have its own Contract support facilities. The support facilities should be fully owned and managed by the bidder.

**23.2** Conformity with the Request for Bid/Tender required and conditions.

**23.3** The assessment based on the response to Model Response Outline.

**23.4** The assessment of the capability of the bidder to meet the terms and conditions.

**23.5** The bidders must have executed similar orders, for which the bidder is quoting, for Govt./Semi-Govt./Autonomous Organizations.

**23.6** The cost and the discount offered, if any.

**24. Fall clause**

**24.1** The price quoted by the supplier should not be higher than the maximum retail price, if any, for the stores and the same shall not be higher than the price usually charged by the supplier for stores of the same nature, class or description to any other purchaser.

**24.2** The price charged for the stores supplied under the contract by the supplier shall in no event exceed the lowest price at which the supplier sells the stores of identical description to any other person during the period till performance of all supply orders placed during the currency of the contract is completed. If at any time during the period the supplier reduces the sale price of such stores or sells such stores to any other person including his dealers at a price lower than the price chargeable under the contract, he shall forthwith notify such reduction or sale to the purchaser and the price payable under the contract for these items of stores supplied after the date of coming into force of such reduction or sale shall stand correspondingly reduced.

**24.3** If it is discovered that the supplier has contravened the above conditions, then without prejudice to any other action which might be taken against him, it shall be lawful for the purchaser to (a) revise the price at any stage so as to bring it in conformity with sub-clause(i) above, or (b) to terminate the contract and purchase the items of stores at the risk and cost of the supplier and in that event the provisions of Clause 28 of General Conditions of Contract shall, as far as possible, be applicable or recover the loss.

## **SECTION 3: GENERAL CONDITION OF CONTRACTS**

### **1. Definitions**

In this Contract, the following terms shall be interpreted as indicated:

- (a) "The order" means the agreement entered between the Purchaser and the Supplier including all the attachments and appendices and all documents incorporated as per notification of award.
- (b) "The Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations.
- (c) "The Goods" means all the items, which the Supplier is required to supply to the Purchaser under the Contract.
- (d) "Services" means services ancillary to the supply of the Goods, such as transportation and insurance, and any other incidental services training and other obligations of the Supplier covered under the Contract.
- (e) "GCC" means the General Conditions of Contract contained in this section.
- (f) "The Purchaser" means the organization purchasing the Goods i.e., IIT (BHU) VARANASI.
- (g) "The Purchaser's country" is India.
- (h) "The Supplier" means the individual or firm supplying the Goods and Services under this Contract.
- (i) "Day" means calendar day.

### **2. Application**

These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the Contract.

### **3. Standards**

The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications, and, when no applicable standard is mentioned, to the authoritative standard appropriate to the Goods' country of origin and such standards shall be the latest issued by the concerned Institution.

### **4. Use of Contract Documents and Information**

- 4.1** The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 4.2** The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information except for purposes of performing the Contract.
- 4.3** Any document, other than the Contract itself, shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so, required by the Purchaser.

### **5. Patent Rights**

The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark or industrial design rights arising from use of the Goods or any part thereof in India.

### **6. Submission of the Bids**

- 6.1** All bids complete in all respect must be submitted online on or before the Bid Closing date and time as mentioned on Critical Data Sheet. Tenders received without Bid Securing Declaration Form as earnest money etc. shall be rejected.
- 6.2** The Tender document for this supply is available on the website of IIT (BHU) Varanasi ([www.iitbhu.ac.in/iitnotifications/purchase\\_enquiries/](http://www.iitbhu.ac.in/iitnotifications/purchase_enquiries/)) or from Central Public Procurement Portal (CPPP) <https://eprocure.gov.in/eprocure/app>.

6.3 Interested bidders may submit their bid through the Central Public Procurement Portal (CPPP) <https://eprocure.gov.in/eprocure/app>.

## 7. Inspections and Tests

7.1 The Purchaser or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract specifications at no extra cost to the Purchaser.

7.2 The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at point of delivery and/or at the Goods destination. If conducted on the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data shall be furnished to the inspectors at no charge to the Purchaser.

7.3 Any inspected or tested Goods fail to conform to the specifications, the Purchaser may reject the goods and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Purchaser.

7.4 The Purchaser's right to inspect, test and, where necessary, reject the Goods after the Goods' arrival at Project Site shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to the Goods shipment.

7.5 Nothing in GCC Clause 7 shall in any way release the Supplier from any warranty or other obligations under this Contract.

## 8. Consequences of rejection

If in the event the stores are rejected by the purchaser at the destination and the supplier fails to make satisfactory supplies within the stipulated period of delivery, the purchaser will be at liberty to:

- (a) Allow the supplier to resubmit the stores in replacement of those rejected, within a specified time without any extra cost to the purchaser.
- (b) Reject the material, which shall be final and binding on the contractor.
- (c) Procure the rejected materials of comparable quality from the open market/Govt. stores and the supplier shall be liable to pay the difference in price over the RC prices or get the amount adjusted from the outstanding bills of the supplier, if any.

## 9. Packing

9.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

9.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract including additional requirements, in any subsequent instructions ordered by the Purchaser.

## 10. Delivery and Documents

10.1 The Supplier shall make delivery of the Goods within **13 months** from the placement of purchase order in pursuance of the notification of award. The purchase order would be placed after assessing the requirements on quarterly basis. However, the supplier shall also arrange to execute all orders on priority basis which would be placed to meet any emergent requirements.

10.2 In case the purchaser decides to conclude parallel rate contracts, then the requirements would be split on different firms on equitable basis as per the discretion of the purchaser.

10.3 The delivery of Stores shall be affected at the premises of the Institute free of all delivery charges and within the stipulated time and as may be elucidated in the confirmed order, accompanied by a delivery challan. No extension of time for delivery of Stores shall normally be accorded.

The supplier shall mail the following documents to the purchaser with a copy to the insurance company:

1. 3 Copies of the Supplier Invoice showing contract number, goods' description, quantity, unit price, total amount, etc.
2. Installation Certificate.
3. Insurance Certificate if applicable.
4. Manufacturer's/Supplier's Warranty Certificate.
5. Inspection Certificate issued by the nominated inspection agency, if any.
6. Supplier's Factory Inspection Report.
7. Certificate of Origin (if possible, by the beneficiary).

The above documents should be received by the Purchaser before arrival of the Goods (except where the Goods have been delivered directly to the Consignee with all documents) and, if not received, the Supplier will be responsible for any consequent expenses.

**Time and Date of Delivery - Essence of the Contract:** The time for and the date of delivery of the stores stipulated shall be deemed to be of the essence of the contract and delivery must be completed not later than the date(s) specified.

### **11. Insurance**

The Goods supplied under the Contract shall be fully insured in Indian Rupees against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery. The insurance shall be obtained by the suppliers in an amount equal to 110% of the value of the goods from "warehouse to warehouse" (final destinations) on "all risks" basis including war risks and strikes.

### **12. Transportation**

Where the Supplier is required under the Contract to transport the Goods within India defined as Project site, transport to such place of destination in India including insurance, as shall be specified in the Contract, shall be arranged by the Supplier, and the related cost shall be included in the contract Price.

### **13. Warranty**

**13.1** The Supplier warrants that the Goods supplied under this Contract are new, unused, of the most recent or current models and that they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect arising from design, materials or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in India.

**13.2** This warranty shall remain valid for at least **24 months** (or as specified) after the Goods or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the Contract, unless specified otherwise.

**13.3** The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty.

**13.4** Upon receipt of such notice, the Supplier shall with all reasonable speed, repair or replace the defective Goods or parts thereof, without any extra cost to the Purchaser.

**13.5** If the Supplier, having been notified, fails to remedy the defect(s) within a reasonable period, the Purchaser may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

### **14. Payment**

**14.1** The payment shall be made **100% after Supply, Installation and commissioning as well submission of satisfactory PBG @ 5%**

**Or**

**100% Advance Payment against 110% of total order value as Bank Guarantee (BG)**

Or

The payment will be made in phase wise as mentioned in the table below:

Phase	Payment to be released	Task	Readiness	Document necessary for the release of the payment
1	30% of total BOQ	Delivery of electrical BOM, Control post layout, finalization of the part and assembly drawings.	3 months from PO	a. Phase completion report duly signed by technical committee. b. Proof of the submission of bank guarantee of 20 % of total BOQ (this will be returned to the bidder after successful completion of phase 5 but not later than 13 months from PO if the delay in installation and commissioning is not attributable to the bidder). c. Proof of the submission of performance bank guarantee of 5 % of total BOQ (this will be returned after the warranty and the AMC period).
2	20% of total BOQ	Readiness of CNC package and all manufacturing BOP items	6 months from PO	a. Phase completion report duly signed by technical committee.
3	10% of total BOQ	Completion of assembly at bidder's place	8 months from PO	a. Phase completion reports duly signed by technical committee.
4	20% of total BOQ	Completion of trials at bidder's place and acceptance	10 months from PO	a. Pre-installation and inspection as mentioned in Annexure I. b. Phase completion reports duly signed by technical committee.
5	20% of total BOQ	Completion of final installation and commissioning at consignee location and final acceptance	13 months from PO	a. Testing and Validation at the customer site as mentioned in Annexure I. b. Performance Guarantees Confirmation report as mentioned in Annexure I. c. Installation and Training report. d. Phase completion reports duly signed by technical committee.

**14.2** The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and the Services performed, and by documents, submitted pursuant to GCC Clause 10, and upon fulfilment of other obligations stipulated in the contract.

## 15. Prices

Prices charged by the Supplier for Goods delivered and Services performed under the Contract shall not vary from the prices quoted by the Supplier in his bid. The bidder must mention the applicable taxes/duty and exemptions thereon, if any, as per the Government of India norms. The Institute will provide requisite certificate, if any, required by the bidder as per the applicable Govt. of India norms.

## 16. Change Orders

**16.1** The Purchaser may at any time, by written order given to the Supplier, make changes within the general scope of the Contract in any one or more of the following:

- (a) Drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;

- (b) The method of shipping or packing;
- (c) The place of delivery; and/or
- (d) The services to be provided by the Supplier.

**16.2** If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within thirty (30) days from the date of the Supplier's receipt of the Purchaser's change order.

### **17. Contract Amendments**

Subject to GCC Clause 16, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.

### **18. Assignment**

The Supplier shall not assign, in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior written consent.

### **19. Subcontracts**

The Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the bid. Such notification, in his original bid or later, shall not relieve the Supplier from any liability or obligation under the Contract.

### **20. Delays in the Supplier's Performance**

**20.1** Delivery of the Goods and performance of the Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser as per GCC clause 10.

**20.2** If at any time during performance of the Contract, the Supplier or its sub-contractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the Supplier's time for performance with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of the Contract.

**20.3** Except as provided under GCC Clause 23, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of penalty pursuant to GCC Clause 21, unless an extension of time is agreed upon pursuant to GCC Clause 20.2 without the application of liquidated damages.

### **21. Penalty**

Subject to GCC Clause 23, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as penalty, a sum equivalent to 1% per week and the maximum deduction is 10% of the contract price of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause 22.

### **22. Termination for Default**

**22.1** The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part:

- (a) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the purchase order, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 20;
- (b) If the Supplier fails to perform any other obligation(s) under the Contract;
- (c) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

‘For the purpose of this Clause:

“Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

“Fraudulent practice: a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition;”

**22.2** In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 22.1, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar Goods or Services. However, the Supplier shall continue the performance of the Contract to the extent not terminated.

### **23. Force Majeure**

**23.1** Notwithstanding the provisions of GCC Clauses 20 & 21, the Supplier shall not be liable for imposition of liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

**23.2** For purposes of this Clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

**23.3** If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

### **24. Termination for Insolvency**

The Purchaser may at any time terminate the Contract by giving written notice to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Purchaser.

### **25. Termination for Convenience**

**25.1** The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

**25.2** The Goods that are complete and ready for shipment within 30 days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices.

### **26. Resolution of Disputes**

**26.1** The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

**26.2** If, after thirty (30) days from the commencement of such informal negotiations, the Purchaser and the Supplier have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms as specified below. These mechanisms may include, but are not limited to, conciliation mediated by a third party, adjudication in an agreed national or international forum, and national or international arbitration.

**26.3** In case of Dispute or difference arising between the Purchaser and a supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, 1996 as amended from time to time.

## **27. Governing Language**

The contract shall be written in English language. Subject to GCC Clause 28, English language version of the Contract shall govern its interpretation. All correspondence and other documents pertaining to the Contract which are exchanged by the parties shall be written in the same language.

## **28. Applicable Law**

**28.1** The contract shall be governed by the Law of Contract for the time being in force.

**28.2** Irrespective of the place of delivery, the place of performance or place of payment under the contract, the contract shall be deemed to have been made at the place from which the acceptance of tender has been issued.

**28.3** Jurisdiction of Courts: The courts of the place from where the acceptance of tender has been issued shall alone have jurisdiction to decide any dispute arising out of or in respect of this contract.

**28.4** One-month notice will be given by either party for termination of Contract during the tenure of Contract for breach of Clause or otherwise.

## **29. Taxes and Duties**

Suppliers shall be entirely responsible for all taxes, duties, license fees, road permits, etc., incurred until delivery of the contracted Goods to the Purchaser.

## **30. Performance Security**

Successful bidder has to furnish **05%** of the order value as a performance security in the shape of Fixed Deposit Receipt / Bank Guarantee in favour of the Registrar, Indian Institute of Technology (BHU) Varanasi valid for a period of 60 days beyond the end of all warranty period / obligations and AMC period (**i.e. 26 Month**). Fixed Deposit Receipt / Bank Guarantee should be issued from a schedule bank in India.

## **31. Supplier Integrity**

The Supplier is responsible for and obliged to conduct all contracted activities in accordance with the Contract using state of the art methods and economic principles and exercising all means available to achieve the performance specified in the contract.

### **The Institute Reserves the Right to:**

- 1.** Increase or decrease the quantity of the item(s) as per requirement and GOI Norms only, however, provided within the ceiling of the category in which the original order was placed i.e., if it is within 2.5 Lakh category than should not exceed the 2.5 lakh limit and so on.
- 2.** Reject the quotation in absence of not furnishing the documentary evidence in respect of Trade Tax Registration (G.S.T), Income Tax and Trade Tax clearance certificates together with the performance of supplies in various branches/institutions.
- 3.** Reject the quotation in the event of non-furnishing the authentic documentary evidence in respect of Testing reports / Performance report of the concerned Govt. Organization / Institutions about the products being manufactured and marketed. The performance test of the product can be conducted at Institute level also for which charge will have to be borne by the suppliers.
- 4.** Reject the supplies already made, if not found up to the mark. Thorough checking may be adopted to test the correctness of the supply. In such an event, further action may call to conform or discard the supply.
- 5.** To reject any addition/alteration in respect of local dealerships intimated by the principals after consideration of the case by the committee appointed by the Institute for the purpose.
- 6.** Cancel this Tender at any point of time without assigning any reason thereof.
- 7.** The Institute also reserves the right to reject the bid of any participated bidder.
- 8.** The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part:

- a. If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the purchase order, or within any extension thereof granted by the Purchaser.
  - b. If the Supplier fails to perform any other obligation(s) under the Contract.
  - c. If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.
9. To reject any or all the offers without assigning any reasons thereof.
  10. All disputes are subject to “*Varanasi Jurisdiction*” only.
  11. The decisions of the Institute in all respect shall be final and binding on all.
  12. The Institute reserves the right to ask the successful bidder to produce all the original documents submitted along with the bids for verification at any point of time. During the verification of the document, if it is found that the bidder has concealed/falsified/fabricated any information, the bid and/or purchase order will be cancelled and performance security will be forfeited and action including blacklisting will be taken against the bidder as per norms of the Institute.
  13. Please ensure that your offer is complete in all respect as no further clarifications shall be sought from you and reaches us within the last date mentioned above. **The Institute shall not be responsible for any delay etc.**

## **SECTION 4: SPECIAL CONDITIONS OF CONTRACT**

### **1. Essential Pre-Bid Criteria**

1. Bidders should be the manufacturer (OEM)/authorized dealer/Upgrader. In case the bid is submitted by the Authorized dealer, the currently valid Authorization letter for participating in this Tender (by clearly mentioning the Reference of this Tender) issued by the OEM must be uploaded. The Letter of authorization shall remain valid during execution of supply and installation.
2. An undertaking from the OEM is required stating that they would facilitate the bidder on a regular basis with technology/product updates and provide an uninterrupted supply of spares and accessories for at least ten years after warranty. List of service engineers along with their contact numbers and office addresses to be submitted. Any technical problem that arises during the warranty period needs to be attended to within a maximum of 48 hours. In case the OEM withdraws its authorization from bidder, the above service will continue to be provided by the OEM.
3. OEM of the offered product should have Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine (Floor Type) manufacturing/modernizing experience of at least 10 years having successfully completed projects of Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine capable of handling at least RAM travel (Z-axis): 1500 mm, Boring spindle diameter: 160 mm, Boring spindle travel (W axis): 1000 mm, Total spindle travel (Z + W axis): 2000 mm. Bidder should have the experience of manufacturing/upgrading, installation and commissioning complete CNC automation system, hydrostatic guideways, operator stage, tilt control mechanism. Bidder should also have the experience of proving the machine and establishing parts as per required geometry for the ram type boring applications. Supporting documents (Such as Certificate of incorporation, MSME registration certificate) to be supplied with tender documents.
4. OEM must follow ISO / equivalent certified manufacturing process and QAP (Quality Assurance Plan). Copy of valid ISO / equivalent certificate to be provided.
5. An affidavit on a Non-Judicial Stamp Paper of Rs. 100/- issued on/after the date of publish of this Tender to be submitted by the bidder, that the bidder has never been black-listed by any IITs/NITs/Govt. Offices/PSUs/Govt. Funded Universities/Govt. Funded Autonomous Bodies/Govt. Bodies must be uploaded along with the technical Bid under cover 1, failing which the Bid shall be rejected. The original shall be submitted before the award of bid by the lowest evaluated successful bidder. This affidavit must be issued on or after issuance of this tender. Failing which the Bid shall be rejected.
6. Certified Financial Statement of Bidder from a CA such as Balance Sheet and Profit & Loss account of last three financial years clearly indicating the annual turnover. Net worth of the firm shall be positive. The annual financial turnover of bidder must not be less than 20 Cr. during Last 3 financial years.
7. The bidder shall submit at least reference PO copies with successful commissioning certificates of minimum 02 Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine with at least RAM travel (Z-axis): 1500 mm, Boring spindle diameter: 160 mm, Boring spindle travel (W axis): 1000 mm, Total spindle travel (Z + W axis): 2000 mm. The complete scope of work that has been performed along with project completion document for each machine with total contract value confirming that they have supplied/modernized similar Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine to reputed organizations like IITs/NITs/PSUs/DRDO/CSIR labs/Govt. Institutes/Autonomous Body/reputed listed private companies with more than 200 cr. turnover in India in last 05 years should be provided. The bidder shall furnish contact details of the end-users of the above machines. Failing which the Bid shall be rejected.
8. The bidder has to give a LIVE VIDEO demonstration of their manufactured/modernized Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine with at RAM travel (Z-axis): 1500 mm, Boring spindle diameter: 160 mm, Boring spindle travel (W axis): 1000 mm, Total spindle travel (Z + W axis): 2000 mm during the technical evaluation process (most probably within one week of opening of technical bid). The institute will inform the date and time through a separate email to all the participating bidders. This will be a part of technical evaluation. The bidder needs to upload an undertaking (Annexure VIII) in this regard that they will provide the demonstration as and when required by the Institute.

9. Manufacturer comprehensive warranty for 1-years and 1-years of annual maintenance contract after the warranty period.
10. Preference will be given to Class-I local suppliers in the tender. Total % of the local content for the product being quoted and Details of the location at which the Local Value Addition is made should be clearly mentioned in the letter head of the OEM.
11. Adherence to all the technical specifications is compulsory.
12. Certificate as per Annexure V, VI, VII, VIII, on the letterhead of the company must be uploaded.
13. Only those bidders who will quote rates of all the items will be considered for evaluation. Lowest bidder will be decided on overall L1 basis. Purchasers reserve the right to reject any incomplete or incompetent bid.
14. The bidder has to submit an integrity pact as per Annexure IX, if the quoted value in financial Bid is more than Rs. 01 Crore, which is to mandatorily be executed on a Non-Judicial Stamp Paper of Rs. 100/- duly signed by the Bidder.
15. The bidder has to submit an NDA as per Annexure X on a Non-Judicial Stamp Paper of Rs. 100/- duly signed by the Bidder.
16. The bidder has to submit an undertaking on company letterhead that they will complete the task mentioned in phase 4 under payment terms i.e.; 'Completion of trials at bidder's place and acceptance' by Jan 2027 if PO will be released by April -2026.

**NOTE: THE BID OF THOSE BIDDERS WHO FAILS TO COMPLY THE ABOVE ESSENTIAL CRITERIA WILL NOT BE CONSIDERED FOR TECHNICAL EVALUATION.**

## **2. Documents Comprising the Bid**

The tender/Bid shall be submitted online in two parts: Technical Bid and Commercial Bid.

### **I. Technical Bid**

The following documents are to be scanned and uploaded as part of the Technical Bid as per the tender document:

- (a) Scanned copy of Tender Forms (Techno Commercial Un-Priced Bid), Declaration, Bidder's Information Form, and Tender Acceptance Letter.
- (b) Scanned copy of proof for submission of Tender Document Fee/ Earnest Money Deposit/Exemption Certificate, if any etc.
- (c) Scanned copy of written confirmation authorizing the signatory of the Bid to commit the Bidder.
- (d) Scanned copy of quoted product brochure.
- (e) Scanned copy of completely filled Annexure III with supporting documents
- (f) Scanned copy of Technical Bid and essential Pre-bid Details, if any.
  - i. Scanned copy of documentary evidence establishing the Bidder's qualifications to perform the contract if its bid is accepted and the Bidder's eligibility to bid.
  - ii. Scanned copy of documentary evidence, that the Goods and Related Services to be supplied by the Bidder are of eligible origin and conform to the Bidding Documents.
- (g) Scanned copy of Checklist, compliance of Essential pre-bid criteria and Technical Compliance Sheet (Annexure II) and any other document required as per the tender.

### **II. Commercial Bid**

The commercial bid comprises of:

- (a) Scanned copy of Tender Form (Price Bid)
- (b) Price bid in the form of .xls format and to be uploaded in .xls and signed .pdf format.

The Price bid format is provided as .xls format along with this Tender Document at <https://eprocure.gov.in/eprocure/app>. Bidders are advised to download this .xls format and quote their offer/rates in the prescribed column.

In addition to the above requirements, bids submitted by a Joint Venture shall include a copy of the Joint Venture Agreement entered into by all members. Alternatively, a letter of intent to execute a Joint Venture Agreement in the event of a successful bid shall be signed by all members and submitted with the bid, together with a copy of the proposed Agreement, there to.

The Bidder shall furnish in the Tender Forms information on commissions and gratuities, if any, paid or to be paid to agents or any other party relating to this Bid.

### **3. Installation & Demonstration**

The supplier is required to done the installation and demonstration of the equipment at the earliest at the IIT (BHU)/HMT MTH Hyderabad site of installation, otherwise the penalty clause will be the same as per the supply of materials.

In case of any mishappening/damage to equipment and supplies during the carriage of supplies from the origin of equipment to the installation site, the supplier has to replace it with new equipment/supplies immediately at his own risk. Supplier will settle his claim with the insurance company as per his convenience. IIT (BHU) will not be liable to any type of losses in any form.

### **4. Application Specialist**

The Tenderer should mention in the Techno-Commercial bid the availability and names of Application Specialist and Service Engineers in the nearest regional office.

### **5. Spares**

The Supplier is required to provide state availability of spares for ten years, if required.

### **6. Training of Personnel**

The supplier shall be required to undertake to provide technical training for the personnel involved in the use of the equipment at the Institute premises, immediately after completing the installation of the equipment for a minimum period of one week at the supplier's cost.

### **7. User List**

The bidder must provide the list of users where they have deployed similar nature of equipment's in last 05 years in prescribed format of Annexure III.

### **8. Manuals/Documents**

One set of hard copy and one set of soft copy in English (preferred as following).

- i. Operating manual
- ii. Servicing & Maintenance manual
- iii. Spare parts list with source of supply and prices
- iv. Pre-installation requirements.

### **9. Services**

Vendor must submit Factory Acceptance Test procedure supported with relevant printed literature and certificates.

**10.** The Tender document should also indicate what kind of service/maintenance is required for the system. Whether this service has to be carried out by a company engineer or it can be carried by trained service personnel within India. The frequency of visit and the charges should be mentioned.

**11.** The Tender should be enclosed with proper certifications like **Authorization Certificate** and **Proprietary Certificate** (in case of Proprietary items).

**12.** Pre-installation site preparation/inspection requirements to be indicated and specified along with the bid.

**13.** Bid should include F.O.R. IIT (BHU) Varanasi/HMT MTH Hyderabad prices. The Institute will provide requisite certificate, if any, required by the bidder as per the applicable Govt. of India norms.

**14.** The vendor to provide compliance statement with respect to each technical specification in the tender document duly supported by the manufacturer's literature. Any other claim will not be accepted and may lead to rejection of the bid.

15. Printed literature in support of compliance to the prescribed specifications is to be submitted.
16. Compliance report needs to be submitted as a part of the technical bid.
17. Exemption is allowed from payment of Tender processing fees/EMD as per Government of India norms against submission of currently valid certificate specifically for the item(s) proposed to be procured through this Tender.
18. Defective Equipment: If any of the equipment supplied by the Tenderer is found to be substandard, refurbished, un-merchantable or not in accordance with the description/specification or otherwise faulty, the committee will have the right to reject the equipment or its part. The prices of such equipment shall be refunded by the Tenderer with 18% interest if such payments for such equipment have already been made. All damaged or unapproved goods shall be returned at suppliers cost and risk and the incidental expenses incurred thereon shall be recovered from the supplier. Defective part in equipment, if found before installation and/or during warranty period, shall be replaced within 30 days on receipt of the intimation from this office at the cost and risk of supplier including all other charges. In case supplier fails to replace above item as per above terms & conditions, IIT (BHU) may consider "Banning" the supplier.

**IMPORTANT NOTE**

1. Non-compliance of tender terms, non-uploading of required documents, lack of clarity of the specifications, contradiction between bidder specifications and supporting literature etc. may lead to rejection of the bid.
2. In the tender, either the Indian agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender.
3. If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/product.

## **SECTION 5: CHECKLIST FOR BID/TENDER UPLOADING**

**(The following checklist must be filled in and uploaded with the bid documents)**

<b>S. No.</b>	<b>Particulars Techno Commercial Unpriced Bid (Cover 1)</b>	<b>Yes/No</b>
1	Have you uploaded the techno commercial unpriced bid form duly filled in appropriately?	
2	Have you uploaded a copy of the last three financial years audited balance sheet and P & L Account of your firm?	
3	Have you attached the details of the income tax clearance certificate, proof of manufacturing unit/ dealership letter/ general order suppliers and copy of GST registration certificate?	
4	The bidder shall submit at least reference PO copies with successful commissioning certificates of minimum 02 Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine with at least RAM travel (Z-axis): 1500 mm, Boring spindle diameter: 160 mm, Boring spindle travel (W axis): 1000 mm, Total spindle travel (Z + W axis): 2000 mm. The complete scope of work that has been performed along with project completion document for each machine with total contract value confirming that they have supplied/modernized similar Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine to reputed organizations like IITs/NITs/PSUs/DRDO/CSIR labs/Govt. Institutes/Autonomous Body/reputed listed private companies with more than 200 cr. turnover in India in last 05 years should be provided. The bidder shall furnish contact details of the end-users of the above machines. Failing which the Bid shall be rejected.	
5	Have you submitted DD/transferred online Tender Processing Fee asked for and EMD separately and uploaded their proof of submission?	
6	Have you submitted samples of all items indicated in the respective schedule of requirements at the address of tender inviting authority within due date?	
7	Have you enclosed the schedule of requirement indicating the make offered without indicating the pricing components along with the techno commercial unpriced bid?

13	Have you attached a letter on the letter head that bidder has never been black listed along with the technical Bid under cover 1?	
14	Have you attached the Declaration on the letter pad of Bidder?	
15	Have you attached the signed Tender acceptance letter?	
16	Have you attached a signed copy of Annexure VIII that a LIVE VIDEO demonstration of the machine will be arranged to the committee?	
17	Have you attached the integrity pact as per Annexure IX	
<b>Price Bid (Cover 2)</b>		
1	Have you signed and uploaded the priced bid form?	

2	Have you uploaded the schedule of requirements duly priced i.e., BOQ and its pdf version?	
---	---	--

**NOTE: *While arranging the Tender Documents, check list should be placed on TOP.***

## COMPLIANCE SHEET OF ESSENTIAL PRE-BID CRITERIA

#	Essential Pre-Bid Criteria	Compliance
1	Bidders should be the manufacturer (OEM)/authorized dealer/Upgrader. In case the bid is submitted by the Authorized dealer, the currently valid Authorization letter for participating in this Tender (by clearly mentioning the Reference of this Tender) issued by the OEM must be uploaded. The Letter of authorization shall remain valid during execution of supply and installation.	
2	An undertaking from the OEM is required stating that they would facilitate the bidder on a regular basis with technology/product updates and provide an uninterrupted supply of spares and accessories for at least ten years after warranty. List of service engineers along with their contact numbers and office addresses to be submitted. Any technical problem that arises during the warranty period needs to be attended to within a maximum of 48 hours. In case the OEM withdraws its authorization from bidder, the above service will continue to be provided by the OEM.	
3	OEM of the offered product should have Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine (Floor Type) manufacturing/modernizing experience of at least 10 years having successfully completed projects of Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine capable of handling at least RAM travel (Z-axis): 1500 mm, Boring spindle diameter: 160 mm, Boring spindle travel (W axis): 1000 mm, Total spindle travel (Z + W axis): 2000 mm. Bidder should have the experience of manufacturing/upgrading, installation and commissioning complete CNC automation system, hydrostatic guideways, operator stage, tilt control mechanism. Bidder should also have the experience of proving the machine and establishing parts as per required geometry for the ram type boring applications. Supporting documents (Such as Certificate of incorporation, MSME registration certificate) to be supplied with tender documents.	
4	OEM must follow ISO / equivalent certified manufacturing process and QAP (Quality Assurance Plan). Copy of valid ISO / equivalent certificate to be provided.	
5	An affidavit on a Non-Judicial Stamp Paper of Rs. 100/- issued on/after the date of publish of this Tender to be submitted by the bidder, that the bidder has never been black-listed by any IITs/NITs/Govt. Offices/PSUs/Govt. Funded Universities/Govt. Funded Autonomous Bodies/Govt. Bodies must be uploaded along with the technical Bid under cover 1, failing which the Bid shall be rejected. The original shall be submitted before the award of bid by the lowest evaluated successful bidder. This affidavit must be issued on or after issuance of this tender. Failing which the Bid shall be rejected.	
6	Certified Financial Statement of Bidder from a CA such as Balance Sheet and Profit & Loss account of last three financial years clearly indicating the annual turnover. Net worth of the firm shall be positive. The annual financial turnover of bidder must not be less than 20 Cr. during Last 3 financial years.	
7	The bidder shall submit at least reference PO copies with successful commissioning certificates of minimum 02 Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine with at least RAM travel (Z-axis): 1500 mm, Boring spindle diameter: 160 mm, Boring spindle travel (W axis): 1000 mm, Total spindle travel (Z + W axis): 2500 mm. The complete scope of work that has been performed along with project completion document for each machine with total contract value confirming that they have supplied/modernized similar Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine to reputed organizations like IITs/NITs/PSUs/DRDO/CSIR labs/Govt. Institutes/Autonomous Body/reputed listed private companies with more than 200 cr. turnover in India in last 05	

	years should be provided. The bidder shall furnish contact details of the end-users of the above machines. Failing which the Bid shall be rejected.	
8	The bidder has to give a LIVE VIDEO demonstration of their manufactured/modernized Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine with at least RAM travel (Z-axis): 1500 mm, Boring spindle diameter: 160 mm, Boring spindle travel (W axis): 1000 mm, Total spindle travel (Z + W axis): 2500 mm during the technical evaluation process (most probably within one week of opening of technical bid). The institute will inform the date and time through a separate email to all the participating bidders. This will be a part of technical evaluation. The bidder needs to upload an undertaking (Annexure VIII) in this regard that they will provide the demonstration as and when required by the Institute.	
9	Manufacturer comprehensive warranty for 1-years and 1-years of annual maintenance contract after the warranty period.	
10	Preference will be given to Class-I local suppliers in the tender. Total % of the local content for the product being quoted and Details of the location at which the Local Value Addition is made should be clearly mentioned in the letter head of the OEM.	
11	Adherence to all the technical specifications is compulsory.	
12	Certificate as per Annexure V, VI, VII, VIII, on the letterhead of the company must be uploaded.	
13	Only those bidders who will quote rates of all the items will be considered for evaluation. Lowest bidder will be decided on overall L1 basis. Purchasers reserve the right to reject any incomplete or incompetent bid.	
14	The bidder has to submit an integrity pact as per Annexure IX, if the quoted value in financial Bid is more than Rs. 01 Crore, which is to mandatorily be executed on a Non-Judicial Stamp Paper of Rs. 100/- duly signed by the Bidder.	
15	The bidder has to submit an NDA as per Annexure X on a Non-Judicial Stamp Paper of Rs. 100/- duly signed by the Bidder.	
16	The bidder has to submit an undertaking on company letterhead that they will complete the task mentioned in phase 4 under payment terms i.e.; 'Completion of trials at bidder's place and acceptance' by Jan 2027 if PO will be released by April, 2026.

**The Registrar**  
**Indian Institute of Technology (BHU) Varanasi**  
**Varanasi – 221005, Uttar Pradesh, India**

**LETTER OF GUARANTEE**

WHEREAS Indian Institute of Technology (BHU), Varanasi (Buyer) has invited tender vide Tender No..... dated..... for purchase of ..... AND WHEREAS the said tender document requires that eligible successful bidder (seller)..... wishing to supply the equipment / machinery, etc. in response thereto shall establish an irrevocable Performance Bank Guarantee in favour of “The Registrar, Indian Institute of Technology (BHU) Varanasi” in the form of Bank Guarantee for Rs. .... (5% of the contract value) and the Performance Bank Guarantee shall remain valid for a period of 60 (sixty) days beyond the date of completion of all contractual obligations of the seller, including warranty obligations from the date of issue of Performance Bank Guarantee and the eligible successful bidder (the seller) shall submit the same within 14 (Fourteen) days from the date of Award of Contract.

NOW THIS BANK HEREBY GUARANTEES that in the event of the said bidder (seller) fails to abide by any of the conditions referred to in tender document / Award of Contract / performance of the equipment / machinery, etc. this Bank shall pay to Indian Institute of Technology (BHU), Varanasi on demand and without protest or demur Rs. .... (Rupees.....).

This Bank further agrees that the decision of Indian Institute of Technology (BHU) Varanasi (Buyer) as to whether the said bidder (Seller) has committed a breach of any of the conditions referred in tender document / Award of Contract shall be final and binding.

We, ..... (Name of the Bank & branch) hereby further agree that the Guarantee herein contained shall not be affected by any change in the constitution of the bidder (Seller) and/or Indian Institute of Technology (BHU), Varanasi (Buyer). **Not with standing anything contained herein:**

1. Our liability under this Bank Guarantee shall not exceed Rs. .... (Indian Rupees ..... only).
2. This Bank Guarantee shall be valid up to ..... (date) and
3. We are liable to pay the guaranteed amount or any part thereof under this bank guarantee only and only if IIT (BHU), Varanasi serve upon us a written claim or demand on or before .....(date). This Bank further agrees that the claims if any, against this Bank Guarantee shall be enforceable at our branch office at ..... situated at ..... (Address of local branch).

Yours truly,

Signature and seal of the guarantor:

Date:

## SECTION-8

### ANNEXURE I

#### **Fabrication, Assembling, & Installation of Ram Type Heavy Duty CNC Horizontal Boring & Milling machine (Floor Type).**

##### **Description**

The requirement of this tender is to manufacture, assemble and install Ram Type Heavy Duty CNC Horizontal Boring & Milling machine (Floor Type). The design of the Ram Type Heavy Duty CNC Horizontal Boring & Milling machine (Floor Type) machine will be provided by CoEMTD (IIT BHU Varanasi and HMT MTH) and manufacture & assembly need to be carried out as per the design of CoEMTD (IIT BHU Varanasi and HMT MTH).

**Note: Manufacture/bidder is strictly not allowed to make this product or its parts commercialization base on CoEMTD (IIT BHU Varanasi and HMT MTH).**

**Quantity: 1 No.**

##### **Detailed Specifications:**

#	Details	Technical Details
1.	<b>General Overview</b>	<ul style="list-style-type: none"><li>• Specifically, the scope of work in the tender includes the manufacturing and assembling of critical components of the Ram Type Heavy Duty CNC Horizontal Boring &amp; Milling machine (Floor Type). The scope of work also includes sub-assemblies like, CNC Automation system, lubrication system, hydraulic system &amp; hydrostatic system, electrical works &amp; BOP'S. The detailed manufacturing part drawings &amp; assembly drawings, BOM list and other critical data related to the fabrication will be provided by CoEMTD (IIT BHU Varanasi and HMT MTH). All the fabrication services to be done strictly as per the technical inputs from CoEMTD (IIT BHU Varanasi and HMT MTH).</li><li>• The scope of work also includes the purchase of miscellaneous components/items by the bidder such as sensors, electrical connections, critical joints of various subsystems, tools for machine development, trolleys, nuts, bolts, subsystems/components (not listed below), fixtures (if any) that may be required at latter stage necessary for successful assembling and working of the Ram Type Heavy Duty CNC Horizontal Boring &amp; Milling machine (Floor Type) equipment.</li><li>• Hydrostatic Guide ways for Ram-Movement (Z-axis) and the head stock movement on the column (Y-axis).</li><li>• Hydrostatic System for Z-Axis and Y-axis Guide Ways.</li><li>• Backlash Free Pre-Loaded Precision Recirculating Ball Screws and Double Nut through Independent AC Servomotor for Z-axis &amp; W-axis.</li><li>• Quill Lubrication Antifriction, High Precision Bearing.</li><li>• Ram Provided with Droop Compensation – Electromechanical/Hydro Pneumatic.</li></ul>
2.	<b>Civil Requirements</b>	<p>All civil work that maybe required during actual installation are under the scope of the bidder.</p> <ul style="list-style-type: none"><li>• Utilities like compressed air, gas cutting, welding etc. which may be required from time to time during installation.</li><li>• Arranging trained assistance for lifting during assembly and installation is in the scope of the bidder</li><li>• Cleaning agents, cotton waste, marking cloth etc. that may be required from time to time during installation</li><li>• Initial fill consumables like oil, grease, coolant etc.</li></ul>

		<ul style="list-style-type: none"> <li>The bidder should ensure the proper earthing for the machine and its peripherals/accessories</li> <li>Crane for lifting the components &amp; assembly.</li> </ul>
<b>3. Detailed Specification</b>		
	<b>Description</b>	<b>RAM Specification</b>
a.	RAM Size	400 x 450 mm
b.	RAM Travel (Z-Axis)	1500 mm
c.	Boring Spindle Diameter	160 mm
d.	Boring Spindle Travel (W Axis)	1000 mm
e.	Total Spindle Travel (Z + W Axis)	2500 mm
f.	Milling Spindle Rotation Speed	3000 rpm (2 ranges)
g.	Spindle Power (S1)	74 kW
h.	Max. nominal torque on milling and boring spindle (S1)	5500 Nm
i.	Spindle taper	ISO 50
4.	<b>Headstock</b>	<ul style="list-style-type: none"> <li>The headstock is mounted on hydrostatic Guide ways of the column, and it is having up &amp; down movement (Y-axis).</li> <li>Headstock consists of RAM assembly (Z-axis) and Spindle assembly (W-axis) located inside the RAM.</li> <li>Operator Cabin should be attached with the head stock.</li> <li>Spindle assembly consists of both Milling spindle &amp; Boring spindle and are housed inside the RAM.</li> <li>Protective cover should be provided where it is required for protection from oil, dust &amp; foreign particles etc. Headstock &amp; Hydrostatic guide ways.</li> </ul>
5.	<b>RAM</b>	<ul style="list-style-type: none"> <li>The RAM slides (Z-axis) inside the Headstock by means of hydrostatic pads.</li> <li>Headstock with RAM vertically slides (Y-axis) on the guide ways of the column on hydrostatic pads.</li> <li>RAM traverse (Z-axis) is driven by means of backlash free pre-loaded precision re-circulating ball-screw &amp; double nut assembly through independent AC Servo Motor. The provision should be made for the arrangement of feedback linear scales.</li> <li>RAM traverse (Z-axis) is controlled with Droop Compensation by means of Electro-mechanical mechanism</li> <li>Inside the RAM on the corners there are four hydraulically controlled clamping devices for the automatic clamping of the attachments.</li> <li>In the same location of the upper device, there are also two working tie rods, hydraulically controlled. These tie rods adjust the sag of the RAM caused by both the different weight of the attachment and RAM coming out variation.</li> <li>Two bars housed in the corner (L/h –up and R/h -up) of the RAM, detect the possible RAM displacement and also thermal elongation and give signal to the CNC for tie rod activation.</li> <li>On its front side it can receive protective cover and attachments.</li> </ul>
6.	<b>Spindle Housing</b>	<p>Spindle assembly consists of both Milling spindle &amp; Boring spindle and are housed inside the RAM.</p> <p>Details are as follows:</p> <p><b>Milling Spindle (Z-Axis)</b></p> <ul style="list-style-type: none"> <li>The milling spindle is located inside the RAM</li> <li>Milling spindle rotation is driven by a common AC Spindle Motor (same motor for boring spindle) through speed gear boxes and are mounted on precision bearings system and lubricated by a lubrication system unit on board of the headstock. 2 stage gear box with gear shifter.</li> <li>The provision should be made for the arrangement of the milling spindle rotation feedback by rotary encoder (Direct external encoder).</li> </ul>

		<ul style="list-style-type: none"> <li>Spindle brake system should be implemented for safety during power failure and safety PLC interlock should be implemented to avoid the accident.</li> </ul> <p><b>Boring Spindle (W-Axis)</b></p> <ul style="list-style-type: none"> <li>The boring spindle traverse (W-axis) is located inside the RAM (Z-axis) and its linear movement (Quill) is driven by means of backlash free pre-loaded precision re-circulating ball-screw &amp; double nut assembly through Independent AC servo motor. The provision should be made for the arrangement of the linear traverse feedback by rotary encoder (Direct external encoder).</li> <li>Boring spindle (W-axis) rotation is driven by a common AC spindle motor through a speed gear box and is mounted on precision angular contact ball bearings and lubricated by a lubrication system unit on board of the headstock.</li> <li>Boring spindle is having ISO-50 taper. The provision should be made for the arrangement of the rotation feedback by rotary encoder (Direct external encoder).</li> <li>Boring and drilling operation spindle inside the milling spindle moves in and out (W-axis) and is provided with tool automatic clamping and coolant rotating distributor for the feeding through spindle.</li> </ul>
7.	<b>Lubrication system</b>	<p><b>The bidder needs to provide the lubrication system of the complete machine and its sub-assemblies:</b></p> <ul style="list-style-type: none"> <li>The oil and lubrication grades to be used need to be finalized in consultation with the CoEMTD.</li> </ul>
8.	<b>Hydraulic System</b>	<p><b>The bidder needs to provide the Hydraulic system of the complete head stock assembly and its sub-assemblies.</b></p> <ul style="list-style-type: none"> <li>The oil grades to be used need to be finalized in consultation with CoEMTD.</li> <li>Sufficient capacity Hydraulic oil chiller should be provided.</li> <li>All hydraulic elements (feedback switch/sensor: pressure, flow, level &amp; temperature, filters etc. and actuator hydraulic cylinder, solenoid valves, proportional valve etc.) and pumps &amp; motors should be provide for machine functions &amp; operation including elements required for droop control mechanism</li> </ul>
9.	<b>Machine control CNC system</b>	<ul style="list-style-type: none"> <li>CNC control: Siemens (Sinumerik one) or latest version including all standard softwares &amp; operating softwares.</li> <li>Boring and Milling software</li> <li>Adaptive Control</li> <li>Sag Compensation</li> <li>Sufficient axes license should be provided.</li> <li>Sufficient length of servo motor cables &amp; direct feedback (Linear scale &amp; rotary encoder) cables.</li> <li>AC Servo digital Motor for Z, W &amp; Spindle and suitable capacity of AC servo drives are part of supply.</li> <li>Integration &amp; configuration of CNC system.</li> <li>PLC programming development for axes control &amp; auxiliary including machine interlocks &amp; alarm generation.</li> <li>CNC system shall comply with Industry 4.0 requirements</li> <li>PLC editing software &amp; drive configuration software should be provided.</li> </ul>
10.	<b>Control desk / operator panel</b>	<ul style="list-style-type: none"> <li>LCD – TFT (Flat 19" or better) touch operator panel and Machine Control Panel (MCP) should mounted on control desk/panel. A handheld unit should be provided.</li> <li>Swiveling type Control desk/operator panel should be mounted on operator platform for easy machine operations &amp; operator friendly.</li> <li>Operator platform should be attached with the head stock.</li> </ul>

11.	<b>Electrical Cabinet</b>	<ul style="list-style-type: none"> <li>All controls elements, electrical switch gears, drives, I/O racks, electrical &amp; electronics parts etc. need to be housed in an electrical cabinet</li> <li>The full machine electrical circuit to be provided by the bidder</li> <li>Sufficient capacity of Electrical Cabinet air conditioner should be provided.</li> </ul>
12.	<b>Electrical Supply</b>	<ul style="list-style-type: none"> <li>415 +/- 10%, 50 Hz at site. Machine Incoming power cable from near DB to machine should be supplied in 25mtrs.</li> <li>Sufficient capacity Isolation Transformer should be provided.</li> </ul>
13.	<b>Auxiliary</b>	<ul style="list-style-type: none"> <li>All cables, hydraulic pipes, hydrostatic pipes, field elements etc should route properly &amp; should be label for easy identification for maintenance purpose.</li> <li>Assembly Fixture if any required during RAM assembly in headstock.</li> <li>Assembly Fixture if any required during for headstock assembly in Y-axis guide ways.</li> </ul>
14.	<b>Miscellaneous Equipment's and systems</b>	<ul style="list-style-type: none"> <li>Operational Accessories (List to be furnished by bidder)</li> <li>Maintenance Accessories (List to be furnished by bidder)</li> <li>Standards accessories (List to be furnished by bidder)</li> <li>Cable drag chains</li> <li>Hydrostatic, hydraulic &amp; lubrications oil collecting trays.</li> <li>Protections covers etc.</li> <li>Hydraulic &amp; hydrostatic piping preferable metallic in all non-moving areas.</li> </ul>
15.	<b>Hydrostatic System</b>	<ul style="list-style-type: none"> <li>The hydrostatic pads, machining of pads fixing surfaces on headstock, fixing of pads on headstocks (Drilling &amp; tapping etc) and assembly of pads is scope of bidder.</li> <li>Hydrostatic power packs for the hydrostatic system.</li> <li>Sufficient capacity Hydraulic oil chiller should be provided.</li> </ul>
16.	<b>Pneumatic System</b>	<ul style="list-style-type: none"> <li>Applicable as per machine design &amp; standard machine requirements.</li> </ul>
17.	<b>Major Casting</b>	<ul style="list-style-type: none"> <li>Headstock body casting Weight approx.: 5 Tons &amp; casting grade: Nodular cast iron.</li> <li>RAM body casting Weight approx.: 2 Tons &amp; casting grade: Nodular cast iron.</li> </ul>
18.	<b>Testing and Validation</b>	<p><b>Pre-installation and inspection at the bidder site:</b></p> <ul style="list-style-type: none"> <li>Machine build quality as per geometrics chart (as per IS: 11959 Part 1) to be recorded and made available to customer for reference.</li> <li>CoEMTD (IIT BHU Varanasi and HMT MTH) would like to witness and inspect during recording</li> <li>Positioning &amp; Repeatability Accuracies as per VDI/DGQ3441 test should perform.</li> </ul> <p>Bidder should make additional arrangement/facilities for inspection, testing, and functional &amp; operational with respective of headstock all check points and all other auxiliaries.</p> <p><b>Installation and Testing at the customer site:</b></p> <ul style="list-style-type: none"> <li>Machine build quality as per geometrics chart (as per IS: 11959 Part 1) to be recorded and made available to customer for reference.</li> <li>Positioning &amp; Repeatability Accuracies as per VDI/DGQ3441 test should perform.</li> </ul> <p>Bidder should make additional arrangement/facilities for inspection, testing, and functional &amp; operational with respective of headstock all check points and all other auxiliaries.</p>
19.	<b>Training</b>	<ul style="list-style-type: none"> <li>Operator training sessions for handling and troubleshooting</li> <li>Training to operators on the machine for 1-3 operators at any given time</li> <li>Training to operators to be done two times of 3 days each</li> <li>Typically, training should be also imparted during machining trials</li> </ul>

		<ul style="list-style-type: none"> <li>• Mechanical training – 2 days on the machine, 2 days classroom</li> <li>• Electrical training – One day on the machine.</li> <li>• Siemens training at Siemen centre – 2 person</li> </ul>
20.	<b>Machine Documentation</b>	<ul style="list-style-type: none"> <li>• Complete machine back up – in pen drive 2 sets</li> <li>• Operating manual - 2 sets</li> <li>• PLC programming listing - 2 sets</li> <li>• Machine data listing - 2 sets</li> <li>• Electrical diagrams in English - 2 sets</li> <li>• Mechanical manual - 2 sets</li> <li>• Measuring System manual - 2 sets</li> <li>• Machine Documentation to be provided in English</li> </ul>
21.	<b>Standards</b>	<ul style="list-style-type: none"> <li>• The provision of this General Specification shall apply, wherever relevant.</li> <li>• All equipment's and material shall comply with appropriate Indian Standards (latest), International Standards or National Standards of the country of origin provided the latter are equivalent to or better than the former. The tenderer shall indicate the Standards applicable. The following standards are applicable in particular.</li> <li>• Corresponding International Standards like ASA, NEMA, BSS, DIN etc.</li> </ul>
22.	<b>Wear Compensation Adjustment</b>	The original built in accuracy of the machine shall be capable of being maintained conveniently and economically by suitable adjustments for taking up wear on slides, bearings and load screws. The system of adjustments incorporated.
23.	<b>Warranty</b>	<ul style="list-style-type: none"> <li>• Equipment and workmanship to be covered by a warranty of 12 months from the date of successful installation and commissioning</li> <li>• Warranty should cover manufacturing/design defects</li> <li>• 1 Years AMC after installation period</li> </ul>
24.	<b>Spares</b>	Essential spares electrical, electronics, automation, hydraulic, hydrostatic & mechanical etc to run the machine regular basis for 1 years should be supplied.
25.	<b>Phase wise Inspection</b>	CoEMTD (IIT BHU Varanasi and HMT MTH) team with along with manufacturing experts will visit to bidder site for phase wise inspection and monitor work progress. Inspection and monitor teams members travel charges, local transport and lodging cost in bidder scope.
26.	<b>Non-disclosure agreement (NDA) for design</b>	<p>The design inputs will be shared with the bidder after signing NDA with CoEMTD</p> <ul style="list-style-type: none"> <li>• System automation should be as per the CoEMTD requirement</li> <li>• CoEMTD should be involved and informed prior to any subcontracting purchases/fabrication</li> </ul>

The work distribution will be as per the response table shown below:

**Table 1: Work distribution between CoEMTD (IIT BHU Varanasi and HMT MTH) and the Bidder.**

Name of items	Design and Specifications	Fabrication	Required off the shell items as mentioned in scope of work
Mechanical Design of complete Head Stock including Ram	CoEMTD (IIT BHU Varanasi and HMT MTH)	Bidder	Bidder in consultation with CoEMTD (IIT BHU Varanasi and HMT MTH Hyderabad)
Hydrostatic guideways on the head stock (Y and Z axis)	CoEMTD (IIT BHU Varanasi and HMT MTH)	Bidder	
Hydraulic system	Bidder		
Lubrication System	Bidder		
Machine Control System	Bidder		
Operation Software	Bidder		

### **Other Terms**

1. Price of the facility should be quoted in Indian currency.
2. Price should be quoted F.O.R IIT(BHU) Varanasi/ HMT MTH Hyderabad.
3. Custom Clearance will be the responsibility of the supplier.
4. Indian agency commission: Should be clearly stated in the financial bid in Indian currency.
5. Penalty: A penalty of 1% of the order value will be applied for late delivery of the goods for each week thereof subject to a maximum of 5%.
6. Bank Guarantee (BG): Successful bidder must furnish bank guarantee of 20 % of the order value in the shape of in favour of the Registrar, Indian Institute of Technology (BHU) Varanasi (this will be returned to the bidder after successful completion of phase 5 but not later than 13 months from PO if the delay in installation and commissioning is not attributable to the bidder). Also, the successful bidder also has to furnish 05% of the order value as a performance bank guarantee favour of the Registrar, Indian Institute of Technology (BHU) Varanasi valid for a period of 60 days beyond the end of all warranty period/obligations and AMC.
7. Payment: The payment shall be made **100% after Supply, Installation and commissioning as well submission of satisfactory PBG @ 5%**

**Or**

**100% Advance Payment against 110% of total order value as Bank Guarantee (BG)**

**Or**

**The payment will be made in phase wise as mentioned in the table below:**

<b>Phase</b>	<b>Payment to be released</b>	<b>Task</b>	<b>Readiness</b>	<b>Document necessary for the release of the payment</b>
1	30% of total BOQ	Delivery of electrical BOM, Control post layout, finalization of the part and assembly drawings.	3 months from PO	d. Phase completion report duly signed by technical committee. e. Proof of the submission of bank guarantee of 20 % of total BOQ (this will be returned to the bidder after successful completion of phase 5 but not later than 13 months from PO if the delay in installation and commissioning is not attributable to the bidder). f. Proof of the submission of performance bank guarantee of 5 % of total BOQ (this will be returned after the warranty and the AMC period).
2	20% of total BOQ	Readiness of CNC package and all manufacturing BOP items	6 months from PO	b. Phase completion report duly signed by technical committee.
3	10% of total BOQ	Completion of assembly at bidder's place	8 months from PO	b. Phase completion reports duly signed by technical committee.
4	20% of total BOQ	Completion of trials at bidder's place and acceptance	10 months from PO	c. Pre-installation and inspection as mentioned in Annexure I. d. Phase completion reports duly signed by technical committee.

5	20% of total BOQ	Completion of final installation and commissioning at consignee location and final acceptance	13 months from PO	e. Testing and Validation at the customer site as mentioned in Annexure I. f. Performance Guarantees Confirmation report as mentioned in Annexure I. g. Installation and Training report. h. Phase completion reports duly signed by technical committee.
---	------------------	---	-------------------	--

8. User List: Provide users for last 05 years with contact person name, address, phone, and email IDs.
9. Manuals/Documents: 1 set of hard copy and 1 set of soft copy in English (preferred as following).
  - i. Operating manuals
  - ii. Maintenance manual
  - iii. Servicing manual
  - iv. Programming manual
  - v. Manuals of bought out items incorporated in the system
  - vi. Details of any custom-made ICs & components & their sources
10. The bidder must be authorized by the respective OEM to supply, install and maintain the system. The Tender should be enclosed with proper certifications like Authorization Certificate and Proprietary Certificate, in case of Proprietary items.
11. Pre-installation site preparation/inspection requirements to be indicated and specified along with the bid.
12. Warranty period should be 1 year and should begin from the date of installation. Annual Maintenance Contract Charges should be clearly mentioned after warranty period. 1 year comprehensive warranty and 1 Years comprehensive AMC.
13. Submit Electronic copy of the technical specifications and bids.
14. The vendor to provide compliance statement with respect to each technical specification in the tender document duly supported by the manufacturer's literature. Any other claim will not be accepted and may lead to rejection of the bid.
15. Printed literature in support of compliance to the prescribed specifications is to be submitted.
16. Compliance report needs to be submitted as a part of the technical bid.
17. In case during shipment period newer versions of software/hardware is available with vendor in lieu of the existing one for which Letter of Credit was opened, then improved version should be made available without any extra cost.
18. Institute reserves the right to visit installation in India of similar capabilities the details with to regard to such installation should be given as a part of technical bid.
19. Technical evaluation by the Institute may include demonstration to verify functionalities and capabilities of the system quoted.
20. The final intellectual property (IP) right of the machine to be fabricated i.e. Ram Type Heavy Duty CNC Horizontal Boring & Milling machine (Floor Type) machine will remain with CoEMTD. IP belongs to respective parties as per division of work

**Note: Please treat all the details mentioned above are Draft of Technical Specifications and Commercial Specifications for proposed Ram Type Heavy Duty CNC Horizontal Boring & Milling machine (Floor Type) of Qty. 01 No**

**Coordinator  
Centre of Excellence on Machine Tools Design  
Indian Institute of Technology (BHU) Varanasi

		<p>should be made for the arrangement of the linear traverse feedback by rotary encoder (Direct external encoder).</p> <ul style="list-style-type: none"> <li>• Boring spindle (W-axis) rotation is driven by a common AC spindle motor through a speed gear box and is mounted on precision angular contact ball bearings and lubricated by a lubrication system unit on board of the headstock.</li> <li>• Boring spindle is having ISO-50 taper. The provision should be made for the arrangement of the rotation feedback by rotary encoder (Direct external encoder).</li> <li>• Boring and drilling operation spindle inside the milling spindle moves in and out (W-axis) and is provided with tool automatic clamping and coolant rotating distributor for the feeding through spindle.</li> </ul>	
33.	<b>Lubrication system</b>	<p><b>The bidder needs to provide the lubrication system of the complete machine and its sub-assemblies:</b></p> <ul style="list-style-type: none"> <li>• The oil and lubrication grades to be used need to be finalized in consultation with the CoEMTD.</li> </ul>	
34.	<b>Hydraulic System</b>	<p><b>The bidder needs to provide the Hydraulic system of the complete head stock assembly and its sub-assemblies.</b></p> <ul style="list-style-type: none"> <li>• The oil grades to be used need to be finalized in consultation with CoEMTD.</li> <li>• Sufficient capacity Hydraulic oil chiller should be provided.</li> <li>• All hydraulic elements (feedback switch/sensor: pressure, flow, level &amp; temperature, filters etc. and actuator hydraulic cylinder, solenoid valves, proportional valve etc.) and pumps &amp; motors should be provide for machine functions &amp; operation including elements required for droop control mechanism</li> </ul>	
35.	<b>Machine control system CNC</b>	<ul style="list-style-type: none"> <li>• CNC control: Siemens (Sinumerik one) or latest version including all standard softwares &amp; operating softwares.</li> <li>• Boring and Milling software</li> <li>• Adaptive Control</li> <li>• Sag Compensation</li> <li>• Sufficient axes license should be provided.</li> <li>• Sufficient length of servo motor cables &amp; direct feedback (Linear scale &amp; rotary encoder) cables.</li> <li>• AC Servo digital Motor for Z, W &amp; Spindle and suitable capacity of AC servo drives are part of supply.</li> <li>• Integration &amp; configuration of CNC system.</li> <li>• PLC programming development for axes control &amp; auxiliary including machine interlocks &amp; alarm generation.</li> <li>• CNC system shall comply with Industry 4.0 requirements.</li> <li>• PLC editing software &amp; drive configuration software should be provided.</li> </ul>	
36.	<b>Control desk / operator panel</b>	<ul style="list-style-type: none"> <li>• LCD – TFT (Flat 19" or better) touch operator panel and Machine Control Panel (MCP) should mounted on control desk/panel. A handheld unit should be provided.</li> <li>• Swiveling type Control desk/operator panel should be mounted on operator platform for easy machine operations &amp; operator friendly.</li> <li>• Operator platform should be attached with the head stock.</li> </ul>	
37.	<b>Electrical Cabinet</b>	<ul style="list-style-type: none"> <li>• All controls elements, electrical switch gears, drives, I/O racks, electrical &amp; electronics parts etc. need to be housed in an electrical cabinet</li> <li>• The full machine electrical circuit to be provided by the bidder</li> <li>• Sufficient capacity of Electrical Cabinet air conditioner should be provided.</li> </ul>	

38.	<b>Electrical Supply</b>	<ul style="list-style-type: none"> <li>• 415 +/- 10%, 50 Hz at site. Machine Incoming power cable from near DB to machine should be supplied in 25mtrs.</li> <li>• Sufficient capacity Isolation Transformer should be provided.</li> </ul>	
39.	<b>Auxiliary</b>	<ul style="list-style-type: none"> <li>• All cables, hydraulic pipes, hydrostatic pipes, field elements etc should route properly &amp; should be label for easy identification for maintenance purpose.</li> <li>• Assembly Fixture if any required during RAM assembly in headstock.</li> <li>• Assembly Fixture if any required during for headstock assembly in Y-axis guide ways.</li> </ul>	
40.	<b>Miscellaneous Equipment's and systems</b>	<ul style="list-style-type: none"> <li>• Operational Accessories (List to be furnished by bidder)</li> <li>• Maintenance Accessories (List to be furnished by bidder)</li> <li>• Standards accessories (List to be furnished by bidder)</li> <li>• Cable drag chains</li> <li>• Hydrostatic, hydraulic &amp; lubrications oil collecting trays.</li> <li>• Protections covers etc.</li> <li>• Hydraulic &amp; hydrostatic piping preferable metallic in all non-moving areas.</li> </ul>	
41.	<b>Hydrostatic System</b>	<ul style="list-style-type: none"> <li>• The hydrostatic pads, machining of pads fixing surfaces on headstock, fixing of pads on headstocks (Drilling &amp; tapping etc) and assembly of pads is scope of bidder.</li> <li>• Hydrostatic power packs for the hydrostatic system.</li> <li>• Sufficient capacity Hydraulic oil chiller should be provided.</li> </ul>	
42.	<b>Pneumatic System</b>	<ul style="list-style-type: none"> <li>• Applicable as per machine design &amp; standard machine requirements.</li> </ul>	
43.	<b>Major Casting</b>	<ul style="list-style-type: none"> <li>• Headstock body casting Weight approx.: 5 Tons &amp; casting grade: Nodular cast iron.</li> <li>• RAM body casting Weight approx.: 2 Tons &amp; casting grade: Nodular cast iron.</li> </ul>	
44.	<b>Testing and Validation</b>	<p><b>Pre-installation and inspection at the bidder site:</b></p> <ul style="list-style-type: none"> <li>• Machine build quality as per geometrics chart (as per IS: 11959 Part 1) to be recorded and made available to customer for reference.</li> <li>• CoEMTD (IIT BHU Varanasi and HMT MTH) would like to witness and inspect during recording</li> <li>• Positioning &amp; Repeatability Accuracies as per VDI/DGQ3441 test should perform.</li> </ul> <p>Bidder should make additional arrangement/facilities for inspection, testing, and functional &amp; operational with respective of headstock all check points and all other auxiliaries.</p> <p><b>Installation and Testing at the customer site:</b></p> <ul style="list-style-type: none"> <li>• Machine build quality as per geometrics chart (as per IS: 11959 Part 1) to be recorded and made available to customer for reference.</li> <li>• Positioning &amp; Repeatability Accuracies as per VDI/DGQ3441 test should perform.</li> </ul> <p>Bidder should make additional arrangement/facilities for inspection, testing, and functional &amp; operational with respective of headstock all check points and all other auxiliaries.</p>	
45.	<b>Training</b>	<ul style="list-style-type: none"> <li>• Operator training sessions for handling and troubleshooting</li> <li>• Training to operators on the machine for 1-3 operators at any given time</li> <li>• Training to operators to be done two times of 3 days each</li> <li>• Typically, training should be also imparted during machining trials</li> </ul>	

		<ul style="list-style-type: none"> <li>• Mechanical training – 2 days on the machine, 2 days classroom</li> <li>• Electrical training – One day on the machine.</li> <li>• Siemens training at Siemen centre – 2 person</li> </ul>	
46.	<b>Machine Documentation</b>	<ul style="list-style-type: none"> <li>• Complete machine back up – in pen drive 2 sets</li> <li>• Operating manual - 2 sets</li> <li>• PLC programming listing - 2 sets</li> <li>• Machine data listing - 2 sets</li> <li>• Electrical diagrams in English - 2 sets</li> <li>• Mechanical manual - 2 sets</li> <li>• Measuring System manual - 2 sets</li> <li>• Machine Documentation to be provided in English</li> </ul>	
47.	<b>Standards</b>	<ul style="list-style-type: none"> <li>• The provision of this General Specification shall apply, wherever relevant.</li> <li>• All equipment's and material shall comply with appropriate Indian Standards (latest), International Standards or National Standards of the country of origin provided the latter are equivalent to or better than the former. The tenderer shall indicate the Standards applicable. The following standards are applicable in particular.</li> <li>• Corresponding International Standards like ASA, NEMA, BSS, DIN etc.</li> </ul>	
48.	<b>Wear Compensation Adjustment</b>	The original built in accuracy of the machine shall be capable of being maintained conveniently and economically by suitable adjustments for taking up wear on slides, bearings and load screws. The system of adjustments incorporated.	
49.	<b>Warranty</b>	<ul style="list-style-type: none"> <li>• Equipment and workmanship to be covered by a warranty of 12 months from the date of successful installation and commissioning</li> <li>• Warranty should cover manufacturing/design defects</li> <li>• 1 Years AMC after installation period</li> </ul>	
50.	<b>Spares</b>	Essential spares electrical, electronics, automation, hydraulic, hydrostatic & mechanical etc to run the machine regular basis for 1 years should be supplied.	
51.	<b>Phase wise Inspection</b>	CoEMTD (IIT BHU Varanasi and HMT MTH) team with along with manufacturing experts will visit to bidder site for phase wise inspection and monitor work progress. Inspection and monitor teams members travel charges, local transport and lodging cost in bidder scope.	
52.	<b>Non-disclosure agreement (NDA) for design</b>	<p>The design inputs will be shared with the bidder after signing NDA with CoEMTD</p> <ul style="list-style-type: none"> <li>• System automation should be as per the CoEMTD requirement</li> <li>• CoEMTD should be involved and informed prior to any subcontracting purchases/fabrication</li> </ul>

**SECTION-9****PREVIOUS SIMILAR ORDER EXECUTED**

Please quote best minimum prices applicable for a premier Educational and Research Institution. The party must give details of purchase orders copies with successful supplied/modernized and commissioned certificates of minimum 02 Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine with at least RAM travel (Z-axis): 1500 mm, Boring spindle diameter: 160 mm, Boring spindle travel (W axis): 1000 mm, Total spindle travel (Z + W axis): 2500 mm. The complete scope of work that has been performed along with project completion document for each machine with total contract value confirming that they have supplied/modernised similar Ram Type for Heavy Duty CNC Horizontal Boring & Milling machine to reputed organizations like IITs/NITs/PSUs/DRDO/CSIR labs/Govt. Institutes/Autonomous Body/reputed listed private companies with more than 200 cr. turnover in India in last 05 years should be provided. identical or similar equipment supplied to any IITs/NITs/Govt. Office/PSU/University/Autonomous Body as per below Format in last five years (to be enclosed in Price Bid /Commercial Bid) along with the final price paid and details are mandatory.

Name of the Firm \_\_\_\_\_

Order placed by (Full address of Purchaser)	Order No. and Date	Description and quantity of ordered equipment	Value of Order	Date of completion of delivery as per contract	Remarks indicating reasons for late delivery, if any and justification for price difference of their supply order & those quoted to us	Has the Equipment being installed satisfactorily (Attach a Certificate from the Purchaser/ Consigner)	Contact Person along with Telephone No., Fax No. and e-mail address.

*(Kindly enclose the scan copy of aforementioned purchase orders)*

**Details of Technical Expert**

Name of application specialist / Service Engineer who have the technical competency to handle and support the quoted product during the warranty period.		
Name of the organization	Name of Contact Person	Contact No.

Place: .....

Date: .....

**ORIGINAL EQUIPMENT MANUFACTURER (OEM)**  
**Manufacturing Authorization Form (MAF)**  
*(On Letter Head of Manufacturer)*

Tender No.: .....

**To,**  
**Coordinator**  
**Centre of Excellence on Machine Tools Design**  
**Indian Institute of Technology (BHU), Varanasi**  
**Varanasi-221005, Uttar Pradesh, India**

Dear Sir,

We manufacturer of original equipment at ..... (address of factory) do hereby authorize M/s ..... (Name and address of Agent) to submit a bid, negotiate and receive the order format against your tender enquiry. M/s. .... is authorized to bid and conclude the contract in regard to this business. We hereby extend our full guarantee and warranty as per clause ..... of the terms and conditions NIQ for the goods and services offered by the above firm.

Yours Faithfully,

(Name)

(Name & Seal of Manufactures)

**Note:**

1. Items of indigenous nature or quoted in INR, more than 1 authorized representative may participate in the same tender and submit their bids on behalf of their OEM/Principal/Manufacturer if the OEM permits more than one authorized bidder in such case as per their policy.
2. In cases of agents quoting in offshore procurements, on behalf of their principal manufacturers, one agent cannot represent two manufacturers or quote on their behalf in a particular tender enquiry. One manufacturer can also authorize only one agent/dealer.
3. The letter of authority should be on the letterhead of the manufacturer and should be signed by a person competent and having the power of attorney to bind the manufacturer. The same should be included by the bidder in its techno-commercial unpriced bid.

**DECLARATION**

*(To be submitted on the letterhead of Company)*

**To,  
Coordinator  
Centre of Excellence on Machine Tools Design  
Indian Institute of Technology (BHU), Varanasi  
Varanasi-221005, Uttar Pradesh, India**

**We certify as under:**

We have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India and on sub-contracting to contractors from such countries, and solemnly certify that we fulfill all requirements in this regard and are eligible to be considered.

**We certify that:**

- (a) We are not from such a country or, if from such a country, we are registered with the Competent Authority (copy enclosed);
- and**
- (b) We shall not subcontract any work to a contractor from such countries unless such contractor is registered with the Competent Authority.

Yours faithfully,

(Signature of the Bidder, with Official Seal)

**DECLARATION OF LOCAL CONTENT**

**To,  
Coordinator  
Centre of Excellence on Machine Tools Design  
Indian Institute of Technology (BHU), Varanasi  
Varanasi-221005, Uttar Pradesh, India**

**Subject: Declaration of Local Content**

Tender Reference No: .....

Name of Tender/ Work: .....

1. Country of Origin of Goods being offered: .....

2. We hereby declare that items offered has ..... % local content

3. Details of the Location at which the Local Value Addition is made .....

4. Details of Local Content

“Local Content” means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the item procured (excluding net domestic indirect taxes) minus the value of the imported content in the item (including all customs duties) as a proportion of the total value, in percent.

Bidders offering Imported products will fall under the category of Nonlocal Suppliers. They cannot claim themselves as Class-I or Class-II Local Suppliers by claiming the services such as Transportation, Insurance, Installation, Commissioning, Training and After Sale Service Support like AMC/ CMC etc. as Local Value Addition.

We are solely responsible for the abovementioned declaration. False declaration will be in breach of Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151(iii) of the General Financial Rules along with such other actions as may be permissible under law.

Yours faithfully,

(Signature of the bidder, with Official Seal)

**Note:** It is mandatory for bidders to quote items having local content minimum 20%. Refer revised Public Procurement (Preference to Make in India), Order 2017, No. P-45021/2/2017-PP (B.E-II) dated 16.09.2020 issued by DPIIT, Ministry of Commerce and Industry, Govt. of India.

UNDERTAKING FOR LIVE VIDEO DEMONSTRATION

**To,  
Coordinator  
Centre of Excellence on Machine Tools Design,  
Indian Institute of Technology (BHU), Varanasi  
Varanasi-221005, Uttar Pradesh, India**

We, M/s ..... do hereby confirms that the LIVE VIDEO demonstration for the quoted product ..... will be given by our company as and when asked by the purchase committee, IIT (BHU) during the technical evaluation process.

Yours faithfully,

(Signature of the Bidder, with Official Seal)

**PRE-CONTRACT INTEGRITY PACT**

**General**

This pre-bid pre-contract Agreement (hereinafter called the Integrity Pact) is made on \_\_\_\_\_ day of the month of \_\_\_\_\_ 2025, between, on one hand, the President of India, acting through Shri \_\_\_\_\_, designation of the officer, Ministry/Department, Government of India (hereinafter called the "BUYER", which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) of the First Part and M/S \_\_\_\_\_ represented by Shri \_\_\_\_\_, Chief Executive Officer (hereinafter called the "BIDDER/Seller" which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) of the Second Part.

WHEREAS the BUYER proposes to procure (name of the Stores/ Equipment/ Item) and the BIDDER/Seller is willing to offer/has offered the stores and

WHEREAS the BIDDER is a private company/public company/Government undertaking/partnership/registered export agency, constituted in accordance with the relevant law in the matter and the BUYER is a Ministry/ Department of the Government of India/PSU performing its functions on behalf of the President of India.

NOW, THEREFORE,

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence/prejudiced dealings prior to, during and subsequent to the currency of the contract entered into with a view to:-

Enabling the BUYER to obtain the desired said stores/equipment at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and

Enabling BIDDERS to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the BUYER will commit to prevent corruption, in any form, by its officials by following transparent procedures.

The parties hereby agree to enter into this Integrity Pact and agree as follows:

**Commitments of the BUYER**

- 1.1. The BUYER undertakes that no official of the BUYER, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.
- 1.2. The BUYER will, during the pre-contract stage, treat all BIDDERS alike, and will provide to all BIDDERS the same information and will not provide any such information to any particular BIDDER which could afford an advantage to that particular BIDDER in comparison to other BIDDERS.

- 1.3. All the officials of the BUYER will report to the appropriate Government office any attempted or completed breaches of the above commitments as well as any substantial suspicion of such a breach.
2. In case any such preceding misconduct on the part of such official(s) is reported by the BIDDER to the BUYER with full and verifiable facts and the same is prima facie found to be correct by the BUYER, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the BUYER and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the BUYER the proceedings under the contract would not be stalled.

### **Commitments of BIDDERS**

3. The BIDDER commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract stage in order to secure the contract or in furtherance to secure it and in particular commit itself to the following:
  - 3.1. The Bidder will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the Buyer, connected directly or indirectly with the bidding process, or to any person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the Contract.
  - 3.2. The BIDDER further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the BUYER or otherwise in procuring the Contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with the Government for showing or forbearing to show favour or disfavour to any person in relation to the contract or any other contract with the Government.
  - 3.3.\* BIDDERS shall disclose the name and address of agents and representatives and Indian BIDDERS shall disclose their foreign principals or associates.
  - 3.4.\* BIDDERS shall disclose the payments to be made by them to agents/ brokers or any other intermediary, in connection with this bid/contract.
  - 3.5.\* The BIDDER further confirms and declares to the BUYER that the BIDDER is the original manufacturer/integrator/authorized government sponsored export entity of the stores and has not engaged any individual or firm or company whether Indian or foreign to intercede, facilitate or in any way to recommend to the BUYER or any of its functionaries, whether officially or unofficially to the award of the contract to the BIDDER, nor has any amount been paid, promised or intended to be paid to any such individual, firm or company in respect of any such intercession, facilitation or recommendation.
  - 3.6. The BIDDER, either while presenting the bid or during pre-contract negotiations or before signing the contract, shall disclose any payments he has made, is committed to or intends to make to officials of the BUYER or their family members, agents, brokers or any other intermediaries in connection with the contract and the details of services agreed upon for such payments.

- 3.7. The BIDDER will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- 3.8. The BIDDER will not accept any advantage in exchange for any corrupt practice, unfair means and illegal activities.
- 3.9. The BIDDER shall not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the BUYER as part of the business relationship, regarding plans, technical proposals and business details, including information contained in any electronic data carrier. The BIDDER also undertakes to exercise due and adequate care lest any such information is divulged.
- 3.10. The BIDDER commits to refrain from giving any complaint directly or through any other manner without supporting it with full and verifiable facts.
- 3.11. The BIDDER shall not instigate or cause to instigate any third person to commit any of the actions mentioned above.
- 3.12. If the BIDDER or any employee of the BIDDER or any person acting on behalf of the BIDDER, either directly or indirectly, is a relative of any of the officers of the BUYER, or alternatively, if any relative of an officer of the BUYER has financial interest/stake in the BIDDER's firm, the same shall be disclosed by the BIDDER at the time of filing of tender.  
The term 'relative' for this purpose would be as defined in Section 6 of the Companies Act, 1956.
- 3.13. The BIDDER shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the BUYER.

#### **4. Previous Transgression**

- 4.1. The BIDDER declares that no previous transgression occurred in the last three years immediately before signing of this Integrity Pact, with any other company in any country in respect of any corrupt practices envisaged hereunder or with any Public Sector Enterprise in India or any Government Department in India that could justify BIDDER's exclusion from the tender process.
- 4.2. The BIDDER agrees that if it makes incorrect statement on this subject, BIDDER can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

#### **5. Earnest Money (Security Deposit)**

- 5.1 While submitting commercial bid, the BIDDER shall deposit an amount \_\_\_\_\_ as specified in the RFP as Earnest Money/Security Deposit, with the BUYER through any of the following instruments:
  - (i) Bank Draft or a Pay Order in favour of \_\_\_\_\_
  - (ii) A confirmed guarantee by an Indian Nationalized Bank, promising payment of the guaranteed sum to the BUYER on demand within three working days without any demur whatsoever and without seeking any reasons whatsoever. The demand for payment by the BUYER shall be treated as conclusive proof of payment.
  - (iii) Any other mode or through any other instrument, as stated in RFP.

- 5.2 The Earnest Money / Security Deposit shall be valid up-to a period of five years or the complete conclusion of the contractual obligations to the complete satisfaction of both the BIDDER and the BUYER, including warranty period, whichever is later.
- 5.3 In case of the successful BIDDER a clause would also be incorporated in the Article pertaining to Performance Bond in the Purchase Contract that the provisions of Sanctions for Violation shall be applicable for forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.
- 5.4 No interest shall be payable by the BUYER to the BIDDER on Earnest Money/Security Deposit for the period of its currency.

## **6. Sanctions for Violations**

- 6.1. Any breach of the aforesaid provisions by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER) shall entitle the BUYER to take all or any one of the following actions, wherever required:
- (i) To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the BIDDER. However, the proceedings with the other BIDDER(s) would continue.
  - (ii) The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit/Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the BUYER and the BUYER shall not be required to assign any reason therefor.
  - (iii) To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER.
  - (iv) To recover all sums already paid by the BUYER, and in case of an Indian BIDDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of State Bank of India, while in case of a BIDDER from a country other than India with interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER from the BUYER in connection with any other contract for any other stores, such outstanding payment could also be utilized to recover the aforesaid sum and interest.
  - (v) To encash the advance bank guarantee and performance bond/warranty bond, if furnished by the BIDDER, in order to recover the payments, already made by the BUYER, along with interest.
  - (vi) To cancel all or any other Contracts with the BIDDER. The BIDDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation/rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER.
  - (vii) To debar the BIDDER from participating in future bidding processes of the Government of India for a minimum period of five years, which may be further extended at the discretion of the BUYER.
  - (viii) To recover all sums paid in violation of this Pact by BIDDER(s) to any middleman or agent or broker with a view to securing the contract.
  - (ix) In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the BUYER with the BIDDER, the same shall not be opened.
  - (x) Forfeiture of Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.
- 6.2 The BUYER will be entitled to take all or any of the actions mentioned at para 6.1 (i) to (x) of this Pact also on the Commission by the BIDDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined in Chapter IX of the Indian Penal Code, 1860, or Prevention of Corruption Act, 1988, or any other statute enacted for prevention of corruption.

6.3 The decision of the BUYER to the effect that a breach of the provisions of this Pact has been committed by the BIDDER shall be final and conclusive on the BIDDER. However, the BIDDER can approach the Independent Monitor(s) appointed for the purposes of this Pact.

## **7. Fall Clause**

7.1. The BIDDER undertakes that it has not supplied/is not supplying similar product/systems or subsystems at a price lower than that offered in the present bid in respect of any other Ministry / Department of the Government of India or PSU and if it is found at any stage that similar product/systems or sub system was supplied by the BIDDER to any other Ministry/Department of the Government of India or a PSU at a lower price, then that very price, with due allowance for elapsed time, will be applicable to the present case and the difference in the cost would be refunded by the BIDDER to the BUYER, if the contract has already been concluded.

## **8. Independent Monitors**

8.1. There shall be Independent Monitors (hereinafter referred to as Monitors) appointed by the BUYER for this Pact in consultation with the Central Vigilance Commission.

<b>Shri Rajiv Kumar Srivastava, IFoS (Retd.)</b>	Email: rksifs@gmail.com
<b>Shri Rajiva Ranjan Verma, IPS (Retd.)</b>	Email: rajivaranjanin@yahoo.co.in

8.2. The task of the Monitors shall be to review independently and objectively, whether and to what extent the parties comply with the obligations under this Pact.

8.3. The Monitors shall not be subject to instructions by the representatives of the parties and perform their functions neutrally and independently.

8.4. Both the parties accept that the Monitors have the right to access all the documents relating to the project/procurement, including minutes of meetings.

8.5 As soon as the Monitor notices, or has reason to believe, a violation of this Pact, he will so inform the Authority designated by the BUYER.

8.6. The BIDDER(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the BUYER including that provided by the BIDDER. The BIDDER will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor shall be under contractual obligation to treat the information and documents of the BIDDER/Subcontractor(s) with confidentiality.

8.7. The BUYER will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the Monitor the option to participate in such meetings.

8.8. The Monitor will submit a written report to the Foreign Secretary, Ministry of External Affairs, within 8 to 10 weeks from the date of reference or intimation to him by the BUYER / BIDDER and, should the occasion arise, submit proposals for correcting problematic situations.

**9. Facilitation of Investigation**

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BUYER or its agencies shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

**10. Law and Place of Jurisdiction**

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the BUYER

**11. Other Legal Actions**

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

**12. Validity**

12.1. The validity of this Integrity Pact shall be from the date of its signing and extend up to 5 years or the complete execution of the contract to the satisfaction of both the BUYER and the BIDDER/Seller, including warranty period, whichever is later. In case BIDDER is unsuccessful, this Integrity Pact shall expire after six months from the date of the signing of the contract.

12.2. Should one or several provisions of this Pact turn out to be invalid, the remainder of this pact shall remain valid. In this case, the parties will strive to come to an agreement to their original intentions.

13. The parties hereby sign this Integrity Pact at \_\_\_\_\_ on \_\_\_\_\_

\* Provision of these clauses would need to be amended/ deleted in line with the policy of the BUYER in regard to involvement of Indian agents of foreign suppliers.

**NON-DISCLOSURE AGREEMENT**

This Non-Disclosure Agreement (“Agreement”) is made and entered into on this \_\_\_\_\_ day of \_\_\_\_\_, 2025, by and between:

1. Centre of Excellence on Machine Tools Design (CoEMTD), Indian Institute of Technology (BHU) Varanasi, 221005, Uttar Pradesh, India. The project is between IIT(BHU) Varanasi, HMT Machine Tools Ltd., and Ministry of Heavy Industries, Govt. of India. (Hereinafter referred to as the “Client”)

AND

2. \_\_\_\_\_, a company/individual having its registered \_\_\_\_\_ office \_\_\_\_\_ at \_\_\_\_\_.  
(Hereinafter referred to as the “Bidder”)

**WHEREAS:**

A. The Client has issued a tender bearing number \_\_\_\_\_, dated \_\_\_\_\_, for the tender title \_\_\_\_\_ (hereinafter referred to as the “Project”).

B. In connection with the Project, the Client may disclose certain confidential technical and non-technical information to the Bidder to enable evaluation, design, and development efforts related to the said Project.

C. The Bidder agrees to receive and maintain the confidentiality of such information as per the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

**1. Definition of Confidential Information**

For the purposes of this Agreement, “Confidential Information” shall mean all technical, commercial, financial, business, or strategic information, whether oral, written, electronic, or otherwise, disclosed by the Client to the Bidder in connection with the Project. This includes, but is not limited to, specifications, drawings, reports, plans, calculations, data, samples, models, software, source code, and communication content.

**2. Obligations of the Bidder**

The Bidder agrees to:

- a) Maintain the confidentiality of all Confidential Information and not disclose it to any third party without prior written consent of the Client.
- b) Use the Confidential Information solely for the purpose of the Project and not for any other purpose, commercial or otherwise.
- c) Limit access to the Confidential Information only to its employees, agents, or subcontractors on a need-to-know basis and ensure that such persons are bound by confidentiality obligations no less stringent than those contained in this Agreement.
- d) Take all reasonable precautions to protect the Confidential Information from unauthorized disclosure or use.

**3. Exclusions from Confidential Information**

The obligations of confidentiality shall not apply to any information which:

- a) Is or becomes publicly available through no fault of the Bidder;
- b) Was known to the Bidder prior to disclosure by the Client, as evidenced by written records;
- c) Is rightfully received from a third party without restriction and without breach of this Agreement;

d) Is independently developed by the Bidder without use of the Client's Confidential Information.

**4. Ownership of Information**

All Confidential Information remains the property of the Client. Nothing in this Agreement shall be construed as granting the Bidder any rights, by license or otherwise, to use or exploit the Confidential Information except as expressly provided herein.

**5. Term and Return of Information**

This Agreement shall remain in force for a period of five (5) years from the date of signing. Upon request or upon completion of the Project or disqualification from the bidding process, the Bidder shall promptly return or destroy all Confidential Information, including any copies or derivatives thereof, and certify such return or destruction in writing.

**6. Remedies**

The Bidder acknowledges that any unauthorized disclosure or use of the Confidential Information may cause irreparable harm to the Client, and the Client shall be entitled to seek injunctive or equitable relief in addition to any other remedies available at law or in equity.

**7. Governing Law and Jurisdiction**

This Agreement shall be governed by and construed in accordance with the laws of India. The courts at Varanasi, Uttar Pradesh shall have exclusive jurisdiction over all disputes arising under or in connection with this Agreement.

**8. Entire Agreement**

This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements or understandings, whether written or oral, relating to such subject matter.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.
