The following instructions be read carefully before filling the above form:

1. All the details must be filled up and no column be left unfilled. In case there is no Income against a particular head, the word 'NIL' be specifically written.
2. Total Income of the family should include only of the father, mother and the concerned student and no other members though they may be earning.
3. If father is passed away, then mother's income will be shown alongwith the income, if any, in the student's own name from any source other than scholarship and stipend.
4. If both father and mother of the student are deceased, then the income of the student only.
