NOTICE

Subject: Invitation of Research Proposal for grant of fund under Institute Research Project/Grant to Individual faculty Scheme

I am directed to inform all the concerned that Institute Research Project/Grant to Individual Faculty Scheme for financial year 2017-18 is open now and proposals for grant of fund under this scheme are invited.

The Institute Research Projects/Grant to Individual faculty may be granted based on his/her past research credential. For granting of such research support to the faculty, number of sponsored research projects and total sanctioned grant for the same will be considered as primary/major deciding factor. However, their other achievements will also be considered.

Further, Institute Research Project/Grant will not be granted for a completely new research area instead it would preferably be granted as add-on support against their sponsored projects provided proper justification for such demand

All interested faculty members are requested to submit their research project proposal on attached **prescribed format** with all the relevant annexure(s) **latest by 13th November, 2017** to the office of Dean (R&D) for its screening by a duly constituted screening committee. *Soft copy of prescribed format can also be downloaded from our Institute website.*

The Institute Research Project/Grant will be sanctioned for a period of one year with a financial limit of **₹15.0 lakh** and contingency/consumable component will be limited to a maximum of 15% including travel within India (International travel is not permitted).

Please note that application from such faculty members who have already availed this grant in F.Y. 2015-2016 & 2016-17 will not be considered, and those who have applied for Institute Research Project in the Financial Year 2016-17 and have not been shortlisted need to apply afresh.
